Item 1.01. Entry into a Material Definitive Agreement.

On February 4, 2022, Velodyne Lidar, Inc. (“Velodyne” or the “Company”) and Amazon.com, Inc. (“Amazon”) entered into a Transaction Agreement (the “Transaction Agreement”), pursuant to which, among other things, Velodyne agreed to issue to Amazon.com NV Investment Holdings LLC, a wholly owned subsidiary of Amazon (“NV Holdings”), a warrant (the “Warrant”) to acquire up to 39,594,032 shares (the “Warrant Shares”) of the Company’s common stock, par value \$0.0001 per share (“Common Stock”), subject to adjustment and vesting in accordance with the terms and conditions set forth in the Warrant. The vesting of the Warrant Shares, as described below, is based on discretionary payments made by Amazon (whether made directly from Amazon, its affiliates or by a third party on behalf of Amazon) pursuant to existing commercial agreements between the Company and Amazon or its affiliates, which relate to the use of the Company’s technology to continue to improve the customer experience, any possible future commercial agreements between the Company and Amazon or its affiliates, and the anticipated entry into an agreement between the Company and Amazon or its affiliates related to the use of the Company’s technology (“Additional Commercial Agreement”).

Warrant

The Warrant Shares will vest over time based on discretionary payments to Velodyne by Amazon (whether made directly from Amazon, its affiliates or by a third party on behalf of Amazon) of up to \$200 million. Upon entry into the Additional Commercial Agreement, certain Warrant Shares shall vest, and the number of shares that vest in connection with future payments by Amazon (whether made directly from Amazon, its affiliates or by a third party on behalf of Amazon) to Velodyne shall be reduced pro rata. Subject to vesting and certain conditions set forth therein, the Warrant may be exercised, in whole or in part and for cash or on a net exercise basis, at any time before February 4, 2030 at an exercise price of \$4.18 per share, which was determined based on the 30-day volume-weighted average price for the Common Stock as of February 3, 2022. The exercise price and the Warrant Shares issuable upon exercise of the Warrant are subject to customary antidilution adjustments.

Upon the consummation of certain change of control transactions (as set forth in the Warrant), the Warrant will automatically vest and become exercisable with respect to (i) if the aggregate gross payments collectively paid to Velodyne or any of its affiliates is less than \$100 million, 50% of the Warrant Shares that are not vested as of such date or (ii) if such gross payments are equal to or greater than \$100 million, a number of Warrant Shares equal to the percentage of Warrant Shares that have previously vested, *multiplied* by the number of Warrant Shares that are not vested as of such date.

The foregoing summary is qualified in its entirety by reference to the Warrant, which is filed as Exhibit 4.1 hereto and is incorporated herein by reference.

Transaction Agreement

The Transaction Agreement sets forth certain governance arrangements and provisions relating to Amazon’s equity interest in the Company, including customary registration rights relating to the Warrant Shares, and includes customary representations and warranties and covenants of the Company and Amazon.

The Transaction Agreement contains certain restrictions on Amazon’s ability to transfer the Warrant and Warrant Shares. Under the Transaction Agreement, Amazon has the right to designate a board observer to Velodyne’s board of directors so long as the number of shares of Common Stock that it or its affiliates holds, equals at least 12,338,485 shares of Common Stock. Furthermore, the Transaction Agreement contains certain customary standstill restrictions that remain in effect during the period from the execution of the Transaction Agreement until such time as Amazon beneficially owns less than 5% of the Common Stock.

The issuance of the Warrant and of Warrant Shares, which are subject to the terms and conditions set forth in the Transaction Agreement and the Warrant, have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act and rules and regulations of the U.S. Securities and Exchange Commission promulgated thereunder. The Warrant was issued only to NV Holdings in connection with the transactions contemplated by the Transaction

Agreement. This current report on Form 8-K does not constitute an offer to sell, or a solicitation of an offer to buy, any security and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offering would be unlawful.

The foregoing summary is qualified in its entirety by reference to the Transaction Agreement, which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.

Item 3.02. Unregistered Sales of Equity Securities.

The information provided under Item 1.01 of this Current Report on Form 8-K with respect to the issuance of the Warrants is incorporated by reference into this Item 3.02.

Each party shall deliver a notice to the other appointing its Qualified Appraiser within 15 days after the date that the Appraisal Procedure is invoked. If within 30 days after receipt by each party of the notices appointing the two Qualified Appraisers, such appraisers are unable to agree upon the amount in question, a third Qualified Appraiser shall be chosen within ten days after the end of such 30-day period by: (i) the mutual consent of such first two Qualified Appraisers; or (ii) if such two first Qualified Appraisers fail to agree upon the appointment of a third appraiser, such appointment shall be made by the American Arbitration Association, or any organization successor thereto, from a panel of Qualified Appraisers on the application of either of the first two Qualified Appraisers. If any Qualified Appraiser initially appointed shall, for any reason, be unable to serve, a successor Qualified Appraiser shall be appointed in accordance with the procedures pursuant to which the predecessor Qualified Appraiser was appointed. 3. Exercise of Warrant; Term; Other Agreements; Book Entry; Cancellation.

(i) Promptly following the occurrence of a Vesting Event, the Company shall deliver to the Warrantholder a Notice of Vesting Event in the form attached as Annex A hereto; provided that neither the delivery, nor the failure of the Company to deliver, such Notice of Vesting Event shall affect or impair the Warrantholder’s rights or the Company’s obligations hereunder.

(ii) Subject to (A) Section 2, Section 11(y), and Section 12 and (B) compliance with the Antitrust Laws (including with respect to any Warrant Shares issuable from exercise of this Warrant upon an additional Vesting Event or otherwise), as may be applicable, the right to purchase Warrant Shares represented by this Warrant is exercisable, in whole or in part by the Warrantholder, at any time or from time to time, from and after the applicable Vesting Event, but in no event later than 5:00 p.m., Seattle time, on February 4, 2030 (subject to extension pursuant to Section 3(iii), such time as extended if applicable, the "Expiration Time" and such period from and after the applicable Vesting Event through the Expiration Time, the "Exercise Period"), by (a) the surrender of this Warrant and the Notice of Exercise attached as Annex B hereto, duly completed and executed on behalf of the Warrantholder, to the Company in accordance with Section 16 (or such other office or agency of the Company in the United States as it may designate by notice to the Warrantholder in accordance with Section 16 hereof (the "Designated Company Office")) and (b) payment of the Exercise Price for the Warrant Shares thereby purchased by, at the sole election of the Warrantholder, either: (i) tendering in cash, by certified or cashier's check payable to the order of the Company, or by wire transfer of immediately available funds to an account designated by the Company (such manner of exercise, a "Cash Exercise") or (ii) without payment of cash, by reducing the number of Warrant Shares obtainable upon the exercise of this Warrant (either in full or in part, as applicable) and payment of the Exercise Price in cash so as to yield a number of Warrant Shares obtainable upon the exercise of this Warrant (either in full or in two or more parts, as applicable) equal to the product of (x) the number of Warrant Shares issuable upon the exercise of this Warrant (either in full or in two or more parts, as applicable) (if payment of the Exercise Price were being made in cash) and (y) the Cashless Exercise Ratio (such manner of exercise, a "Cashless Exercise"); provided that such product shall be rounded to the nearest whole Warrant Share.

(iii) Notwithstanding the foregoing, if at any time during the Exercise Period the Warrantholder has not exercised this Warrant in full as a result of (a) there being insufficient Warrant Shares available for issuance, (b) the lack of any required regulatory, corporate or other approval (including, for the avoidance of doubt, any approval required under the Antitrust Laws (including the Initial Antitrust Clearance), if so applicable), or (c) the Company has not been current with its Exchange Act public reporting requirements at any time in the past 30 days (collectively, the "Exercise Conditions"), the Expiration Time shall be extended until 60 days after such date as the Warrantholder is able to acquire all of the vested Warrant Shares without violating any Exercise Conditions.

(iv) If the Warrantholder does not exercise this Warrant in its entirety, the Warrantholder shall be entitled to receive from the Company, upon request, a new warrant of like tenor in substantially identical form for the purchase of that number of Warrant Shares equal to the difference between the number of Warrant Shares and the number of Warrant Shares as to which this Warrant is so exercised.

(v) The Company shall either (a) maintain itself or (b) cause its transfer agent to maintain, in each case, books for the original issuance and the transfer and exercise of the Warrant issuable in connection therewith, in each case in accordance with the terms hereof in book-entry form. If the Company maintains books for the Warrant, then (I) the Company agrees that it will accept instructions from the Warrantholder for the transfer and exercise of the Warrants, to the extent permitted in accordance with the terms of the Warrant and the Transaction Agreement and (II) the Company shall not require the delivery of the original Warrant or any copy thereof, in each case in certificated form, in connection with the transfer or exercise thereof. The Company shall be responsible for all fees and expenses with respect to maintaining the Warrant in book-entry form.

(vi) This Warrant, including with respect to its cancellation, is subject to the terms and conditions of the Transaction Agreement. Without affecting in any manner any prior exercise of this Warrant (or any Warrant Shares previously issued hereunder), if (a) the Transaction Agreement is terminated in accordance with Section 8.1 thereof or (b) the Warrantholder delivers to the Company a written, irrevocable commitment not to exercise this Warrant, then the Company shall have no obligation to issue, and the Warrantholder shall have no right to acquire, the unvested portion of any Warrant Shares under this Warrant.

4. Issuance of Warrant Shares; Authorization; Listing; Cash Settlement.

(i) The Company shall issue a book-entry or book-entries for the Warrant Shares issued upon exercise of this Warrant on or before the second Business Day following the date of exercise of this Warrant (the "Share Delivery Date") in accordance with its terms in the name of the Warrantholder and shall deliver such certificate or certificates to the Warrantholder. If the issuance of the Warrant Shares is registered under the Securities Act, in lieu of issuing a physical share certificate or book-entry, the Company's transfer agent shall use the DTC Fast Automated Securities Transfer Program to credit such aggregate number of Warrant Shares to which the Warrantholder is entitled pursuant to such exercise to the Warrantholder's or its designee's balance account with DTC through its DWAC system. The Company shall be responsible for all fees and expenses of its transfer agent and all fees and expenses with respect to the issuance of Warrant Shares via DTC, if any, including without limitation for same day processing.

(ii) The Company's obligations to issue and deliver Warrant Shares in accordance with the terms and subject to the conditions hereof are absolute and unconditional, irrespective of any action or inaction by the Warrantholder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation, or termination; provided, however, that the Company shall not be required to deliver Warrant Shares with respect to an exercise prior to the Warrantholder's delivery of the associated exercise price (or notice of cashless exercise).

(iii) The Company hereby represents and warrants that any Warrant Shares issued upon the exercise of this Warrant in accordance with the provisions of Section 3 will be validly issued, fully paid and nonassessable and free of any liens or encumbrances (other than liens or encumbrances created by the Transaction Documents or by or at the direction of the

Warrantholder or any of its Affiliates, transfer restrictions arising as a matter of U.S. federal securities laws or created by or at the direction of the Warrantholder or any of its Affiliates). Following the issuance of any Warrant Shares, the Company shall register such issuance in book-entry form in the name of the Warrantholder. The Warrant Shares so issued shall be deemed for all purposes to have been issued to the Warrantholder as of the close of business on the date on which this Warrant and payment of the Exercise Price are delivered to the Company in accordance with the terms of this Warrant, notwithstanding that the stock transfer books of the Company may then be closed or certificates representing such Warrant Shares may not be actually delivered on such date or credited to the Warrantholder's DTC account, as the case may be. The Company shall at all times reserve and keep available, out of its authorized but unissued Common Stock, the Warrant Shares, solely for the purpose of providing for the exercise of this Warrant, the aggregate Warrant Shares then issuable upon exercise of this Warrant in full (disregarding whether or not this Warrant is exercisable by its terms at any such time).

(iv) The Company shall, at its sole expense, procure, subject to issuance or notice of issuance, the listing of any Warrant Shares issuable upon exercise of this Warrant on the Principal Trading Market on which such same class of Equity Securities are then listed or traded, promptly after such Warrant Shares are eligible for listing thereon.

5. No Fractional Shares or Scrip. No fractional Warrant Shares or other Equity Securities or scrip representing fractional Warrant Shares or other Equity Securities shall be issued upon any exercise of this Warrant. In lieu of any fractional share to which a Warrantholder would otherwise be entitled, the fractional Warrant Shares or other Equity Securities shall be rounded up to the next whole Warrant Share or other Equity Securities, and the Warrantholder shall be entitled to receive such rounded up number of Warrant Shares or other Equity Securities.

6. No Rights as Shareholders; Transfer Books. Without limiting in any respect the provisions of the Transaction Agreement and except as otherwise provided by the terms of this Warrant, this Warrant does not entitle the Warrantholder to (i) consent to any action of the shareholders of the Company, (ii) receive notice of or vote at any meeting of the shareholders, (iii) receive notice of any other proceedings of the Company, or (iv) exercise any other rights whatsoever, in any such case, as a stockholder of the Company prior to the date of exercise of this Warrant.

7. Charges, Taxes, and Expenses. Issuance of this Warrant and issuance of certificates for Warrant Shares to the Warrantholder upon the exercise of this Warrant shall be made without charge to the Warrantholder for any issue, registration or transfer tax, assessment or similar governmental charge (other than any such taxes, assessments or charges in respect of any transfer occurring contemporaneously therewith) or other incidental expense in respect of the issuance of such certificates, all of which taxes, assessments, charges and expenses shall be paid by the Company, other than the costs and expenses of counsel or any other advisor to or broker for the Warrantholder or its Affiliates.

8. Transfer/Assignment.

(i) This Warrant may be transferred only in accordance with the terms of the Transaction Agreement. Subject to compliance with the first sentence of this Section 8(i) and the legend as set forth on the cover page of this Warrant and the terms of the Transaction Agreement, this Warrant and all rights hereunder are transferable, in whole or in part, upon the books of the Company by the registered holder hereof in person or by a duly authorized attorney, and a new Warrant shall be made and delivered by the Company, of the same tenor and date as this Warrant but registered in the name of one or more transferees, upon surrender of this Warrant, duly endorsed, to the Designated Company Office. If the transferring holder does not transfer the entirety of its rights to purchase all Warrant Shares hereunder, such holder shall be entitled to receive from the Company a new Warrant in substantially identical form for the purchase of that number of Warrant Shares as to which the right to purchase was not transferred. All expenses (other than stock transfer taxes) and other charges payable in connection with the preparation, execution and delivery of the new Warrant pursuant to this Section 8 shall be paid by the Company.

(ii) If and for so long as required by the Transaction Agreement, any Warrant certificate or book-entry issued hereunder shall contain a legend as set forth in Section 4.2 of the Transaction Agreement.

9. Exchange and Registry of Warrant. This Warrant is exchangeable, subject to applicable securities laws, upon the surrender hereof by the Warranholder to the Company, for a new warrant or warrants of like tenor and representing the right to purchase the same aggregate number of Warrant Shares on the same terms and conditions hereunder. The Company shall maintain, or cause its transfer agent to maintain, a registry showing the name and address of the Warranholder as the registered holder of this Warrant. This Warrant may be surrendered for exchange or exercise, in accordance with its terms, at the Designated Company Office, and the Company shall be entitled to rely in all respects, prior to written notice to the contrary, upon such registry.

10. Non-Business Day Extension. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then such action may be taken or such right may be exercised on the next succeeding day that is a Business Day.

11. Adjustments and Other Rights. The Exercise Price and Warrant Shares issuable upon exercise of this Warrant shall be subject to adjustment from time to time as follows; provided that, if more than one subsection of this Section 11 is applicable to a single event, the subsection shall be applied that produces the largest adjustment and no single event shall cause an adjustment under more than one subsection of this Section 11 so as to result in duplication.

(i) Stock Splits, Subdivisions, Reclassifications, or Combinations. If the Company shall at any time or from time to time (a) declare, order, pay, or make a dividend or make a distribution on its Common Stock in additional shares of Common Stock, (b) split, subdivide, or reclassify the outstanding shares of Common Stock into a greater number of shares, or (c) combine or reclassify the outstanding shares of Common Stock into a smaller number of

shares, the number of Warrant Shares issuable upon exercise of this Warrant at the time of the record date for such dividend or distribution or the effective date of such split, subdivision, combination, or reclassification shall be proportionately adjusted so that the Warrantholder immediately after such record date or effective date, as the case may be, shall be entitled to purchase the number of shares of Common Stock which such holder would have owned or been entitled to receive in respect of the shares of Common Stock subject to this Warrant after such date had this Warrant been exercised in full immediately prior to such record date or effective date, as the case may be (disregarding whether or not this Warrant had been exercisable by its terms at such time). In the event of such adjustment, the Exercise Price in effect at the time of the record date for such dividend or distribution or the effective date of such split, subdivision, combination, or reclassification shall be immediately adjusted to the number obtained by dividing (x) the product of (1) the number of Warrant Shares issuable upon the exercise of this Warrant in full before the adjustment determined pursuant to the immediately preceding sentence (disregarding whether or not this Warrant was exercisable by its terms at such time) and (2) the Exercise Price in effect immediately prior to the record or effective date, as the case may be, for the dividend, distribution, split, subdivision, combination, or reclassification giving rise to such adjustment by (y) the new number of Warrant Shares issuable upon exercise of the Warrant in full determined pursuant to the immediately preceding sentence (disregarding whether or not this Warrant is exercisable by its terms at such time).

(ii) Certain Issuances of Common Stock or Convertible Securities. If the Company shall at any time or from time to time issue primary shares of Common Stock (or rights or warrants or any other securities or rights exercisable or convertible into or exchangeable for shares of Common Stock, including through distributions on outstanding securities (collectively, "Convertible Securities")) (other transactions to which the adjustments set forth in Section 11(i) are applicable), (1) without consideration or (2) at a consideration per share (or having an effective conversion price per share) that is less than the Exercise Price (the date of such issuance, the "Pricing Date") then, in such event:

(A) the number of Warrant Shares issuable upon the exercise of this Warrant held by the Warrantholder on the Pricing Date (the "Initial Number") shall be increased to the number obtained by multiplying the Initial Number by a fraction (I) the numerator of which shall be the sum of (x) the number of shares of Common Stock outstanding immediately prior to the Pricing Date and (y) the number of additional shares of Common Stock issued (or into which Convertible Securities may be converted) on the Pricing Date and (II) the denominator of which shall be the sum of (x) the number of shares of Common Stock outstanding immediately prior to the Pricing Date and (y) the number of shares of Common Stock (rounded to the nearest whole share) which the Aggregate Consideration in respect of such issuance of shares of Common Stock (or Convertible Securities) would purchase at the Market Price of Common Stock on the Trading Day immediately prior to the Pricing Date; and

(B) the Exercise Price payable upon exercise of this Warrant held by the Warrantholder on the Pricing Date shall be adjusted by multiplying such Exercise Price in effect immediately prior to the Pricing Date by a fraction, the numerator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant in full immediately prior to the adjustment pursuant to clause (A) above (disregarding whether or not this Warrant was exercisable by its terms at such time), and the denominator of which shall be the number of

shares of Common Stock issuable upon exercise of this Warrant in full immediately after the adjustment pursuant to clause (A) above (disregarding whether or not this Warrant is exercisable by its terms at such time).

For purposes of the foregoing, (1) in the case of the issuance of such shares of Common Stock or Convertible Securities for, in whole or in part, any non-cash property (or in the case of any non-cash property payable upon conversion of any such Convertible Securities), the consideration represented by such non-cash property shall be deemed to be the Market Price (in the case of securities) and/or Fair Market Value (in all other cases), as applicable, of such non-cash property as of the Trading Day immediately prior to the Pricing Date (before deduction of any related expenses payable to third parties, including discounts and commissions); (2) if the Exercise Price and the number of Warrant Shares issuable upon exercise of this Warrant shall have been adjusted upon the issuance of any Convertible Securities in accordance with this Section 11, solely to the extent the Exercise Price and the number of Warrant Shares has been properly reflected for the actual issuance of shares of Common Stock upon the actual conversion of such Convertible Securities, no further adjustment of the Exercise Price and the number of Warrant Shares issuable upon exercise of this Warrant shall be made for the actual issuance of shares of Common Stock upon the actual conversion of such Convertible Securities in accordance with their terms; and (3) the Company shall not take any action that would result in the Exercise Price being adjusted below the Minimum Price without first obtaining the shareholder approval required by Nasdaq Listing Rule 5635(d), and for the avoidance of doubt, nothing in this Agreement shall require the Company to seek to obtain such shareholder approval. Any adjustment made pursuant to this Section 11(ii) shall become effective immediately upon the date of such issuance. For the avoidance of doubt, no increase to the Exercise Price or decrease in the number of Warrant Shares issuable upon exercise of this Warrant shall be made pursuant to this Section 11(ii).

(iii) Distributions. If the Company, at any time while this Warrant is outstanding, declares or makes any dividend or distributes to holders of shares of Common Stock (and not to the Warranholder) evidence of its indebtedness or assets (including cash and cash dividends or property) or rights or warrants to subscribe for or purchase any security (including, without limitation, any distribution of cash, stock, or other securities, property, or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement, or other similar transaction other than dividends or distributions pursuant to Section 11(i)) (collectively, a "Distribution"), then the Warranholder will be entitled to participate in such Distribution and be deemed to have exercised, and be the holder of, Warrant Shares that are vested as of immediately before the record date of such Distribution.

(iv) Repurchases. If the Company shall at any time or from time to time effect Repurchases, then the Exercise Price shall be reduced to the price determined by multiplying the Exercise Price in effect immediately prior to the date of first purchase of Equity Securities comprising such Repurchases by a fraction of which the numerator shall be (a) the product of (1) the number of shares of Common Stock outstanding immediately prior to the first purchase of Equity Securities comprising such Repurchases and (2) the Market Price per share of Common Stock on the Trading Day immediately preceding the first public announcement by the Company of the intent to effect such Repurchases, minus (b) the Assumed Payment Amount, and of which the denominator shall be the product of (X) the number of shares of Common Stock outstanding

immediately prior to the first purchase of Equity Securities comprising such Repurchases minus the number of shares of Common Stock so repurchased and (Y) the Market Price per share of Common Stock on the Trading Day immediately preceding the first public announcement by the Company of the intent to effect such Repurchases. In such event, the number of Warrant Shares issuable upon the exercise of this Warrant shall be increased to the number obtained by multiplying such number of Warrant Shares by the quotient of (A) the Exercise Price in effect immediately prior to the first purchase of Equity Securities comprising such Repurchases divided by (B) the new Exercise Price determined in accordance with the immediately preceding sentence. For the avoidance of doubt, no increase to the Exercise Price or decrease in the number of Warrant Shares issuable upon exercise of this Warrant shall be made pursuant to this Section 11(iv). For purposes of the foregoing, the “Assumed Payment Amount” with respect to any Repurchases shall mean the aggregate Market Price (in the case of securities) and/or Fair Market Value (in the case of cash and/or any other property), as applicable, as of such Repurchases, of the aggregate consideration paid to effect such Repurchases. Notwithstanding the foregoing, this Section 11(iii) shall only apply in the event that the Company engages in Repurchases exceeding an annual average of in excess of 2% of its outstanding shares as averaged in any immediately preceding calendar year.

(v) Acquisition Transactions. In case of any Acquisition Transaction or reclassification of Common Stock (other than a reclassification of Common Stock subject to adjustment pursuant to Section 11(i)), notwithstanding anything to the contrary contained herein, (a) the Company shall notify the Warrantheader in writing of such Acquisition Transaction or reclassification as promptly as practicable (but in no event later than twenty Business Days prior to the effectiveness thereof), (b) an amount of Warrant Shares equal to the remaining unvested Warrant Shares multiplied by Acquisition Transaction Multiplier set forth on Annex C shall immediately vest and become nonforfeitable, and subject to clause (c) below, become immediately exercisable upon consummation of such Acquisition Transaction or reclassification, and (c) solely in the event of an Acquisition Transaction that is a Business Combination or a reclassification, the Warrantheader's right to receive Warrant Shares upon exercise of this Warrant shall be converted, effective upon the occurrence of such Business Combination or reclassification, into the right to exercise this Warrant to acquire the number of shares of stock or other securities or property (including cash) that the shares of Common Stock issuable (at the time of such Business Combination or reclassification) upon exercise of this Warrant immediately prior to such Business Combination or reclassification would have been entitled to receive upon consummation of such Business Combination or reclassification. In determining the kind and amount of stock, securities, or property receivable upon exercise of this Warrant upon and following adjustment pursuant to this paragraph, if the holders of Common Stock have the right to elect the kind or amount of consideration receivable upon consummation of such Business Combination, then the Warrantheader shall have the right to make the same election upon exercise of this Warrant with respect to the number of shares of stock or other securities or property which the Warrantheader shall receive upon exercise of this Warrant. The Company, or the Person or Persons formed by the applicable Business Combination or reclassification, or that acquire(s) the applicable shares of Common Stock, as the case may be, shall make lawful provisions to establish such rights and to provide for such adjustments that, for events from and after such Business Combination or reclassification, shall be as nearly equivalent as possible to the rights and adjustments provided for herein, and the Company shall not be a party to or permit any such Business Combination or reclassification to occur unless such provisions are made as a part of the terms thereof.

(vi) Rounding of Calculations; Minimum Adjustments. All calculations under this Section 11 shall be made to the nearest one-tenth (1/10th) of a cent or to the nearest one-hundredth (1/100th) of a share, as the case may be. Any provision of this Section 11 to the contrary notwithstanding, no adjustment in the Exercise Price or the number of Warrant Shares into which this Warrant is exercisable shall be made if the amount of such adjustment would be less than \$0.01 or one-tenth (1/10th) of a share of Common Stock, but any such amount shall be carried forward and an adjustment with respect thereto shall be made at the time of and together with any subsequent adjustment which, together with such amount and any other amount or amounts so carried forward, shall aggregate \$0.01 or one-tenth (1/10th) of a share of Common Stock, or more.

(vii) Timing of Issuance of Additional Securities Upon Certain Adjustments. In any event in which (a) the provisions of this Section 11 shall require that an adjustment (the “Subject Adjustment”) shall become effective immediately after a record date (the “Subject Record Date”) for an event and (b) the Warrantholder exercises this Warrant after the Subject Record Date and before the consummation of such event, the Company may defer until the consummation of such event issuing to such Warrantholder the incrementally additional shares of Common Stock or other property issuable upon such exercise by reason of the Subject Adjustment; provided, however, that the Company upon request shall promptly deliver to such Warrantholder a due bill or other appropriate instrument evidencing such Warrantholder’s right to receive such additional shares (or other property, as applicable) upon the consummation of such event.

(viii) Statement Regarding Adjustments. Whenever the Exercise Price or the Warrant Shares into which this Warrant is exercisable shall be adjusted as provided in Section 11, the Company shall promptly prepare a statement showing in reasonable detail the facts requiring such adjustment and the Exercise Price that shall be in effect and the Warrant Shares into which this Warrant shall be exercisable after such adjustment, and cause a copy of such statement to be delivered to the Warrantholder as promptly as practicable after the event giving rise to the adjustment.

(ix) Notice of Adjustment Event. In the event that the Company shall propose to take any action of the type described in this Section 11 (but only if the action of the type described in this Section 11 would result in an adjustment in the Exercise Price or the Warrant Shares into which this Warrant is exercisable or a change in the type of securities or property to be delivered upon exercise of this Warrant), the Company shall provide written notice to the Warrantholder, which notice shall specify the record date, if any, with respect to any such action and the approximate date on which such action is to take place. Such notice shall also set forth the facts with respect thereto as shall be reasonably necessary to indicate the effect on the Exercise Price and the number, kind, or class of shares or other securities or property which shall be deliverable upon exercise of this Warrant. In the case of any action which would require the fixing of a record date, such notice shall be given at least ten days prior to the date so fixed. In case of all other actions, such notice shall be given at least ten days prior to the taking of such proposed action unless the Company reasonably determines in good faith that, given the nature

of such action, the provision of such notice at least ten days in advance is not reasonably practicable from a timing perspective, in which case such notice shall be given as far in advance prior to the taking of such proposed action as is reasonably practicable from a timing perspective.

(x) Adjustment Rules. Any adjustments pursuant to this Section 11 shall be made successively whenever an event referred to herein shall occur. If an adjustment in the Exercise Price made hereunder would reduce the Exercise Price to an amount below par value of the Common Stock, then such adjustment in the Exercise Price made hereunder shall reduce the Exercise Price to the par value of the Common Stock.

(xi) No Impairment. The Company shall not, by amendment of its certificate of incorporation, bylaws, or any other organizational document, or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue, or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but shall at all times in good faith assist in the carrying out of all the provisions of this Warrant. In furtherance and not in limitation of the foregoing, the Company shall not take or permit to be taken any action that would (a) increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the Exercise Price then in effect or (b) entitle the Warrantholder to an adjustment under this Section 11 if the total number of shares of Common Stock issuable after such action upon exercise of this Warrant in full (disregarding whether or not this Warrant is exercisable by its terms at such time), together with all shares of Common Stock then outstanding and all shares of Common Stock then issuable upon the exercise in full of any and all outstanding Equity Securities (disregarding whether or not any such Equity Securities are exercisable by their terms at such time) would exceed the total number of shares of Common Stock then authorized by its certificate of incorporation.

(xii) Proceedings Prior to Any Action Requiring Adjustment. As a condition precedent to the taking of any action which would require an adjustment pursuant to this Section 11, the Company shall promptly take any and all action which may be necessary, including obtaining regulatory or other governmental, the Principal Trading Market, or other applicable securities exchange, corporate, or shareholder approvals or exemptions, in order that the Company may thereafter validly and legally issue as fully paid and nonassessable all shares of Common Stock, or all other securities or other property, that the Warrantholder is entitled to receive upon exercise of this Warrant pursuant to this Section 11.

(xiii) No Adjustment for Permitted Transactions. Notwithstanding anything in this Warrant to the contrary, no adjustment shall be made pursuant to this Section 11 in connection with any Permitted Transaction.

12. Beneficial Ownership Limitation.

(i) Notwithstanding anything in this Warrant to the contrary, the Company shall not honor any exercise of this Warrant, and a Warrantholder shall not have the right to exercise any portion of this Warrant, to the extent that, after giving effect to an attempted exercise set forth on an applicable Notice of Exercise, such Warrantholder (together with such Warrantholder's Affiliates, and any other Person whose beneficial ownership of Common Stock

would be aggregated with the Warrantholder's for purposes of Section 13(d) or Section 16 of the Exchange Act, and any other applicable regulations of the Commission, including any Group of which the Warrantholder is a member (the foregoing, "Attribution Parties") would beneficially own a number of shares of Common Stock in excess of the Beneficial Ownership Limitation. For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by such Warrantholder and its Attribution Parties shall include the number of Warrant Shares issuable under the Notice of Exercise with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (a) exercise of the remaining, unexercised portion of any Warrant beneficially owned by such Warrantholder or any of its Attribution Parties and (b) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company (including any warrants) beneficially owned by such Warrantholder or any of its Attribution Parties that are subject to a limitation on conversion or exercise similar to the limitation contained herein. For purposes of this Section 12, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and any other applicable regulations of the Commission. For purposes of this Section 12, in determining the number of outstanding shares of Common Stock, a Warrantholder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (X) the Company's most recent periodic or annual filing with the Commission, as the case may be, (Y) a more recent public announcement by the Company that is filed with the Commission, or (Z) a more recent notice by the Company or the Company's transfer agent to the Warrantholder setting forth the number of shares of Common Stock then outstanding. Upon the written request of a Warrantholder, the Company shall, within three Trading Days thereof, confirm in writing to such Warrantholder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to any actual conversion or exercise of securities of the Company, including exercise of this Warrant, by such Warrantholder or its Attribution Parties since the date as of which such number of outstanding shares of Common Stock was last publicly reported or confirmed to the Warrantholder. The Company shall be entitled to rely on representations made to it by the Warrantholder in any Notice of Exercise regarding its Beneficial Ownership Limitation. The Warrantholder acknowledges that the Warrantholder is solely responsible for any schedules or statements required to be filed by it in accordance with Section 13(d) or Section 16(a) of the Exchange Act.

(ii) The "Beneficial Ownership Limitation" shall initially be 4.999% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of Warrant Shares pursuant to such Notice of Exercise (to the extent permitted pursuant to this Section 12); provided, however, that by written notice to the Company, which will not be effective until the 61st day after such notice is given by the Warrantholder to the Company, the Warrantholder may waive or amend the provisions of this Section 12 to change the Beneficial Ownership Limitation to any other number, and the provisions of this Section 12 shall continue to apply. Upon any such waiver or amendment to the Beneficial Ownership Limitation, the Beneficial Ownership Limitation may not be further waived or amended by the Warrantholder without first providing the minimum written notice required by the immediately preceding sentence. Notwithstanding the foregoing, at any time following notice of an Acquisition Transaction under Section 11(v) with respect to an Acquisition Transaction that is pursuant to any tender offer or exchange offer (by the Company or another Person (other than the Warrantholder or any Affiliate of the Warrantholder)), the Warrantholder may waive or amend the Beneficial Ownership Limitation effective immediately upon written notice to the Company and may reinstitute a Beneficial Ownership Limitation at any time thereafter effective immediately upon written notice to the Company.

(iii) Notwithstanding the provisions of this Section 12, none of the provisions of this Section 12 shall restrict in any way the number of shares of Common Stock which the Warrantholder may receive or beneficially own in order to determine the amount of securities or other consideration that the Warrantholder may receive in the event of an Acquisition Transaction as contemplated in Section 11 of this Warrant.

13. Governing Law and Jurisdiction. This Warrant shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware. In addition, each of the parties expressly (a) submits to the personal jurisdiction and venue of the Chancery Court of Delaware, or if such court is unavailable, the United States District Court for Delaware (the "Chosen Courts"), in the event any dispute (whether in contract, tort, or otherwise) arises out of this Warrant or the transactions contemplated hereby, (b) agrees that it shall not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court and waives any claim of lack of personal jurisdiction, improper venue and any claims that such courts are an inconvenient forum, and (c) agrees that it shall not bring any claim, action, or proceeding relating to this Warrant or the transactions contemplated hereby in any court other than the Chosen Courts, and in stipulated preference ranking, of the preceding clause (a). Each party agrees that service of process upon such party in any such claim, action, or proceeding shall be effective if notice is given in accordance with the provisions of this Warrant.

14. Binding Effect. This Warrant shall be binding upon any successors or assigns of the Company.

15. Amendments. This Warrant may be amended and the observance of any term of this Warrant may be waived only with the written consent of the Company and the Warrantholder.

16. Notices. Any notice, request, instruction or other document to be given hereunder by any party to the other shall be in writing and shall be deemed to have been duly given (a) if sent by United Parcel Service or FedEx on an overnight basis, signature receipt required, one Business Day after mailing, (b) if sent by email, with a copy mailed on the same day (or next Business Day, if such day is not a Business Day) in the manner provided in clause (a) of this Section 16 when transmitted and receipt is confirmed, or (c) if otherwise personally delivered, when delivered with signature receipt required. All notices hereunder shall be delivered as set forth below, or pursuant to such other instructions as may be designated in writing by the party to receive such notice.

17. Entire Agreement. The Transaction Documents and the Confidentiality Agreement constitute the entire agreement and supersede all other prior agreements, understandings, representations, and warranties, both written and oral, between the parties, with respect to the subject matter hereof.

18. Specific Performance. The parties agree that failure of any party to perform its agreements and covenants under this Warrant, including a party's failure to take all actions as are necessary on such party's part in accordance with the terms and conditions of this Warrant to consummate the transactions contemplated by this Warrant, will cause irreparable injury to the other party, for which monetary damages, even if available, will not be an adequate remedy. It is agreed that the parties shall be entitled to equitable relief, including injunctive relief and specific performance of the terms hereof, without the requirement of posting a bond or other security, and each party hereby consents to the issuance of injunctive relief by any court of competent

jurisdiction to compel performance of a party's obligations and to the granting by any court of the remedy of specific performance of such party's obligations under this Warrant, this being in addition to any other remedies to which the parties are entitled at law or equity.

19. Limitation of Liability. No provision of this Warrant, in the absence of any affirmative action by the Warrantholder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of Warrantholder, shall give rise to any liability of the Warrantholder for the purchase price of any Warrant Shares or as a shareholder of the Company, whether such liability is asserted by the Company or by creditors of the Company. The sole liability of the Warrantholder under this Warrant shall be the applicable aggregate Exercise Price if and when this Warrant is exercised in part or in whole.

20. Interpretation. When a reference is made in this Warrant to "Sections" or "Annexes" such reference shall be to a Section of, or Annex to, this Warrant unless otherwise indicated. The terms defined in the singular have a comparable meaning when used in the plural and vice versa. References to "herein," "hereof," "hereunder," and the like refer to this Warrant as a whole and not to any particular section or provision, unless the context requires otherwise. References to "parties" refer to the parties to this Warrant. The headings contained in this Warrant are for reference purposes only and are not part of this Warrant. Whenever the words "include," "includes," or "including" are used in this Warrant, they shall be deemed followed by the words "without limitation." No rule of construction against the draftsperson shall be applied in connection with the interpretation or enforcement of this Warrant, as this Warrant is the product of negotiation between sophisticated parties advised by counsel. Any reference to a wholly owned subsidiary of a person shall mean such subsidiary is directly or indirectly wholly owned by such person. All references to "\$" or "dollars" mean the lawful currency of the United States of America. Except as expressly stated in this Warrant, all references to any statute, rule, or regulation are to the statute, rule or regulation as amended, modified, supplemented, or replaced from time to time (and, in the case of statutes, include any rules and regulations promulgated under the statute) and to any section of any statute, rule, or regulation include any successor to the section.

NOW, THEREFORE, in consideration of the premises, and of the representations, warranties, covenants, and agreements set forth herein, and intending to be legally bound, the parties agree as set forth herein.

ARTICLE I

WARRANT ISSUANCE; CLOSING

1.1 Warrant Issuance. On the terms and subject to the conditions set forth in this Agreement, the Company shall issue to NV Holdings, and NV Holdings shall acquire from the Company, at the Closing, a warrant to purchase up to an aggregate of 39,594,032 Warrant Shares, subject to adjustment in accordance with its terms, in the form attached hereto as Annex A (the “Warrant”). The issuance of the Warrant by the Company and the acquisition of the Warrant by NV Holdings are referred to herein as the “Warrant Issuance.”

1.2 Closing. The closing of the Warrant Issuance (the “Closing”) shall take place electronically via exchange of executed documents, immediately following the execution and delivery of this Agreement. At the Closing, the Company shall deliver to Amazon the Warrant, as evidenced by a duly and validly executed warrant certificate dated as of the date hereof and bearing appropriate legends as hereinafter provided for.

1.3 Interpretation. When a reference is made in this Agreement to “Recitals,” “Articles,” “Sections,” “Annexes,” “Schedules,” or “Exhibits” such reference shall be to

a Recital, Article, or Section of, or Annex, Schedule, or Exhibit to, this Agreement unless otherwise indicated. The terms defined in the singular have a comparable meaning when used in the plural and vice versa. References to “herein,” “hereof,” “hereunder,” and the like refer to this Agreement as a whole and not to any particular section or provision, unless the context requires otherwise. References to “parties” refer to the parties to this Agreement. The table of contents and headings contained in this Agreement are for reference purposes only and are not part of this Agreement. Whenever the words “include,” “includes,” or “including” are used in this Agreement, they shall be deemed followed by the words “without limitation.” No rule of construction against the draftsman shall be applied in connection with the interpretation or enforcement of this Agreement, as this Agreement is the product of negotiation between sophisticated parties advised by counsel. Any reference to a wholly owned subsidiary of a person shall mean such subsidiary is directly or indirectly wholly owned by such person. All references to “\$” or “dollars” mean the lawful currency of the United States of America. Except as expressly stated in this Agreement, all references to any statute, rule, or regulation are to the statute, rule, or regulation as amended, modified, supplemented, or replaced from time to time (and, in the case of statutes, include any rules and regulations promulgated under the statute) and to any section of any statute, rule, or regulation including any successor to the section. The term “**Business Day**” means any day, other than a Saturday, a Sunday, or any other day on which commercial banks in the State of New York are authorized or required by Applicable Law to be closed. With respect to the Warrant and Warrant Shares, such term shall include any shares of Common Stock or other Equity Securities of the Company received by NV Holdings as a result of any stock split, stock dividend or distribution, other subdivision, reorganization, reclassification, or similar capital transaction.

ARTICLE II

REPRESENTATIONS AND WARRANTIES

2.1 Material Adverse Effect; Non-Reliance.

(a) “Material Adverse Effect” means any change, effect, event, development, circumstance, or occurrence (each, an “Effect”) that, taken individually or when taken together with all other applicable Effects, has been, is, or would reasonably be, expected to be materially adverse to (i) the business, assets, condition (financial or otherwise), or results of operations of the Company and its subsidiaries, taken as a whole, or (ii) the ability of the Company to complete the transactions contemplated by the Transaction Documents or to perform its obligations under the Transaction Documents; provided, however, that in no event shall any Effect, alone or in combination, be deemed to constitute, or be taken into account in determining whether there has been, is, or would be, a Material Adverse Effect to the extent resulting from: (A) any change in general economic, market, or political conditions; (B) any change in generally accepted accounting principles in the United States (“GAAP”) or Applicable Law to the extent such change is generally applicable and not specifically directed at the Company or its subsidiaries; (C) any act of war (whether or not declared), armed hostilities, sabotage, or terrorism, or any material escalation or worsening of any such events, or any national disaster or

any national or international calamity; (D) any epidemic or pandemic, including COVID-19 or anything reasonably arising therefrom, including, without limitation, the values of share prices traded on any stock market or exchange; (E) conditions generally affecting the industry in which the Company and its subsidiaries operate; (F) any failure, in and of itself, to meet internal or published projections, forecasts, targets, or revenue or earnings predictions for any period, as well as any change, in and of itself, by the Company in any projections, forecasts, targets, or revenue or earnings predictions for any period (provided that the underlying causes of such failures (to the extent not otherwise falling within one of the other exceptions in this proviso) may constitute or be taken into account in determining whether there has been, is, or would be, a Material Adverse Effect); or (G) any change in the price or trading volume of the Common Stock (provided that the underlying causes of such change (to the extent not otherwise falling within one of the other exceptions in this proviso) may constitute or be taken into account in determining whether there has been, is, or would be, a Material Adverse Effect); provided, further, that any Effect referred to in clauses (A) through (E) may be taken into account in determining whether or not there has been, is, or would be, a Material Adverse Effect to the extent such Effect has a materially disproportionate adverse effect on the Company and its subsidiaries, taken as a whole, as compared to other similarly situated participants in the industry in which the Company and its subsidiaries operate.

(b) Each party acknowledges that it is not relying upon any representation or warranty of the other party, express or implied, not set forth in the Transaction Documents. Amazon acknowledges that it has had an opportunity to conduct such review and analysis of the business, assets, condition, operations, and prospects of the Company and its subsidiaries, including an opportunity to ask such questions of management and to review such information maintained by the Company and its subsidiaries, in each case as it considers sufficient for the purpose of consummating the transactions contemplated by the Transaction Documents. Each party further acknowledges that it has had such an opportunity to consult with its own counsel, financial and tax advisers, and other professional advisers as it believes is sufficient for purposes of the transactions contemplated by the other Transaction Documents.

2.2 Representations and Warranties of the Company. Except as set forth in the correspondingly numbered section of the Disclosure Schedules or any disclosure in the SEC Reports (other than any information in the “Risk Factors” or “Cautionary Note Regarding Forward-Looking Statements” sections of such SEC Reports), the Company represents and warrants as of the date of this Agreement, and in the case of the representation in the last sentence of Section 2.2(c), as of the date of each issuance of Warrant Shares, to Amazon that:

(a) Organization and Authority. The Company (i) has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Delaware, with full corporate power and authority to own its properties and conduct its business in all material respects as currently conducted, and except as would not constitute a Material Adverse Effect, has been and is duly qualified as a foreign corporation for the transaction of business and is in good standing under the laws of each other jurisdiction in which the ownership or leasing of property or the conduct of its business requires such qualification. The Company has made available to Amazon complete and correct copies of the Company’s certificate of incorporation and bylaws, as of the date of this Agreement, and each as so delivered is in full force and effect.

(b) Capitalization. The authorized capital stock of the Company consists of 2,250,000,000 shares of Common Stock of which, immediately prior to the execution hereof, 198,069,193 shares were issued and outstanding and no shares were held in treasury, and 25,000,000 shares of preferred stock, \$0.0001 par value per share of which, immediately prior to the execution hereof, no shares were issued and outstanding. The Company has (A) 335,628 shares of Common Stock subject to restricted stock awards, (B) 9,791 shares of Common Stock subject to issuance pursuant to outstanding stock options of the Company, (C) 4,616,258 shares of Common Stock subject to issuance pursuant to restricted stock units and market-based performance restricted stock units, (D) 5,072,673 shares of Common Stock available for future issuance under the Company's 2021 Employee Stock Purchase Plan, (E) 21,673,325 shares of Common Stock available for future grant under the Company Stock Plans other than the Company's 2021 Employee Stock Purchase Plan, and (F) 4,480,425 shares of Common Stock subject to issuance pursuant to outstanding warrants of the Company. The outstanding shares of Common Stock have been, and the shares of Common Stock issuable pursuant to any Company Stock Plan will be, duly authorized and validly issued, fully paid, and nonassessable, and subject to no preemptive rights (and were not issued in violation of any preemptive rights, the Company's certificate of incorporation, or any Applicable Law). Except as set forth above or pursuant to the Warrant, there are no (1) shares of capital stock or other Equity Securities or voting securities of the Company authorized, reserved for issuance, issued, or outstanding, (2) options, warrants, calls, preemptive rights, subscription, or other rights, instruments, agreements, arrangements, or commitments of any character, obligating the Company or any of its subsidiaries to issue, transfer, or sell or cause to be issued, transferred, or sold any shares of capital stock or other Equity Securities or voting security in the Company or any securities or instruments convertible into or exchangeable for such shares of capital stock or other Equity Securities or voting securities, or obligating the Company or any of its subsidiaries to grant, extend, or enter into any such option, warrant, call, preemptive right, subscription, or other right, instrument, agreement, arrangement, or commitment, (3) outstanding contractual obligations of the Company or any of its subsidiaries to repurchase, redeem, or otherwise acquire any capital stock or other Equity Securities or voting securities of the Company, or (4) issued or outstanding performance awards, units, rights to receive any capital stock, or other Equity Securities or voting securities of the Company on a deferred basis, or rights to purchase or receive any capital stock or Equity Securities or voting securities issued or granted by the Company to any current or former director, officer, employee, or consultant of the Company. No subsidiary of the Company owns any shares of capital stock or other Equity Securities or voting securities of the Company. There are no voting trusts or other agreements or understandings to which the Company or any of its subsidiaries is a party with respect to the voting of the capital stock or other Equity Securities or voting securities of the Company. All options granted and shares reserved or issued pursuant to the Company's 2007 Incentive Stock Plan, the 2016 Stock Plan, 2020 Equity Incentive Plan, and the Company's 2020 Employee Stock Purchase Plan (collectively, the "Company Stock Plans") have been granted, reserved, and issued in all material respects in full compliance with their respective Company Stock Plan and Applicable Law. The issuance of the Warrant and the Warrant Shares will not result in any adjustment to the conversion price or exercise price of any Equity Securities of the Company that are convertible into, or exercisable or exchangeable for, shares of Common Stock. As of immediately prior to the execution hereof, assuming the issuance of the Warrant Shares in full, the number of Warrant Shares equals 16.04% of the outstanding shares of Common Stock on a fully diluted basis.

(c) The Warrant and Warrant Shares. The Warrant has been duly authorized by the Company and constitutes a valid, legal, and binding obligation of the Company in accordance with its terms, except as the same may be limited by the Bankruptcy Exceptions. The Warrant Shares have been duly authorized and reserved for issuance upon exercise of the Warrant, and when so issued, paid for, and delivered upon due exercise of the Warrant, will be validly issued, fully paid and nonassessable, and free and clear of any liens or encumbrances, other than liens or encumbrances created by the Transaction Documents, arising as a matter of Applicable Law or created by or at the direction of Amazon or any of its subsidiaries.

(d) Authorization, Enforceability.

(i) The Company has full power and authority to execute and deliver this Agreement and the other Transaction Documents, as applicable, to consummate the transactions contemplated hereby and thereby, and to carry out its obligations hereunder and thereunder. The execution, delivery, and performance by the Company of this Agreement and the other Transaction Documents to which it is a party and the consummation of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate action on the part of the Company and its stockholders, and no further approval or authorization is required on the part of the Company or its stockholders. This Agreement and the other Transaction Documents, assuming the due authorization, execution, and delivery by the other parties hereto and thereto, are valid and binding obligations of the Company, enforceable against the Company and such subsidiary, respectively, in accordance with their respective terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting the enforcement of creditors' rights generally and general equitable principles, regardless of whether such enforceability is considered in a proceeding at law or in equity ("Bankruptcy Exceptions").

(ii) The execution, delivery, and performance by the Company of this Agreement and the other Transaction Documents, as applicable, and the consummation of the transactions contemplated hereby and thereby and compliance by the Company with any of the provisions hereof and thereof, will not (A) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice or lapse of time or both, would constitute a default) under, or result in the termination of, or accelerate the performance required by, or result in a right of termination or acceleration of, or result in the creation of, any lien, security interest, charge, or encumbrance upon any of the properties or material assets of the Company or any of its subsidiaries under any of the terms, conditions, or provisions of (x) its certificate of incorporation (or analogous organizational documents) or (y) any note, bond, mortgage, indenture, deed of trust, license, lease, agreement, or other instrument or obligation to which the Company or any of its subsidiaries is a party or by which it or any of its subsidiaries may be bound, or to which the Company or any of its subsidiaries or any of the properties or assets of the Company or any of its subsidiaries is subject; (B) subject to compliance with the statutes and regulations referred to in the next paragraph, violate any Applicable Law or Order applicable to the Company or any of its subsidiaries or any of their respective properties or assets except, in the case of clauses (A)(y) and (B), for those occurrences that would

not constitute a Material Adverse Effect; (C) result in any payment (including severance, unemployment compensation, forgiveness of indebtedness, or otherwise) becoming due to any director or any employee of the Company or any of its subsidiaries under any employment, compensation or benefit plan, program, policy, agreement, or arrangement that is sponsored, maintained, or contributed to by the Company or any of its subsidiaries (each, a “Company Benefit Plan”) or otherwise; (D) increase any benefits otherwise payable under any Company Benefit Plan; (E) result in any acceleration of the time of payment or vesting of any such benefits; (F) require the funding or acceleration of funding of any trust or other funding vehicle; or (G) constitute a “change in control,” “change of control,” or other similar term under any Company Benefit Plan; provided, however, that the foregoing shall not be deemed to include payments or other benefits under a Company Benefit Plan that (a) give effect to the Company’s performance of the Transaction Documents insofar as that performance impacts the Company’s overall results of operations, and (b) are made to any individual whose compensation is based in part on performance related to a specific territory that is impacted by the Company’s performance of the Transaction Documents.

(iii) Other than (A) such notices, filings, exemptions, reviews, authorizations, consents, or approvals as have been made or obtained as of the date hereof, and (B) notices, filings, exemptions, reviews, authorizations, consents, or approvals as may be required under, and other applicable requirements of (1) any Antitrust Laws, to the extent applicable, (2) the Exchange Act, (3) the Securities Act, and (4) The NASDAQ Global Select Market, no notice to, filing with, exemption, or review by, or authorization, consent, or approval of, any Governmental Entity is required to be made or obtained by the Company or any of its subsidiaries in connection with the consummation by the Company or any of its subsidiaries of the Warrant Issuance and the other transactions contemplated hereby and by the other Transaction Documents, except for any such notices, filings, exemptions, reviews, authorizations, consents, and approvals, the failure of which to make or obtain, would not constitute a Material Adverse Effect.

The Company (A) has designed and maintains disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) of the Exchange Act) to provide reasonable assurance that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified in the rules, regulations, and forms of the Commission, and is accumulated and communicated to the Company's management as appropriate to allow timely decisions regarding required disclosure, and (B) has disclosed, based on its most recent evaluation of internal control over financial reporting, to the Company's outside auditors and the Audit Committee of the Board (x) all significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting that would reasonably be expected to adversely affect the Company's ability to record, process, summarize, and report financial information and (y) any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal control over financial reporting, all of which information described in clauses (x) and (y) above has been disclosed by the Company to Amazon prior to the date hereof. Any material change in internal control over financial reporting required to be disclosed in any SEC Report has been so disclosed.

(iv) Since December 31, 2020, neither the Company nor any of its subsidiaries has received any material complaint, allegation, assertion, or claim regarding the accounting or auditing practices, procedures, methodologies, or methods of the Company or any of its subsidiaries or their respective internal accounting controls.

(ii) The execution, delivery, and performance by Amazon, or any such subsidiary, as applicable, of this Agreement and the other Transaction Documents to

which it or any such subsidiary is a party and the consummation of the transactions contemplated hereby and thereby and compliance by it, and such subsidiary, as applicable, with any of the provisions hereof and thereof, will not (A) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice or lapse of time or both, would constitute a default) under, or result in the termination of, or accelerate the performance required by, or result in a right of termination or acceleration of, or result in the creation of, any lien, security interest, charge, or encumbrance upon any of its properties or assets under any of the terms, conditions, or provisions of (x) subject to Exercise Approval, its, or such subsidiary's, as applicable, organizational documents or (y) any note, bond, mortgage, indenture, deed of trust, license, lease, agreement, or other instrument or obligation to which it, or such subsidiary, as applicable, is a party or by which it, or such subsidiary, as applicable, may be bound, or to which it, or such subsidiary, as applicable, or any of its, or such subsidiary's, as applicable, properties or assets are subject, or (B) subject to compliance with the statutes and regulations referred to in the next paragraph, violate any Applicable Law or Order applicable to it, or such subsidiary, as applicable, or any of its, or such subsidiary's, as applicable, properties or assets except, in the case of clauses (A)(y) and (B), for those occurrences that, individually or in the aggregate, have not had and would not reasonably be expected to have a material adverse effect on the ability of Amazon to complete the transactions contemplated by the Transaction Documents or to perform its obligations under the Transaction Documents.

(iii) Other than (A) such notices, filings, exemptions, reviews, authorizations, consents, or approvals as have been made or obtained as of the date hereof, and (B) notices, filings, exemptions, reviews, authorizations, consents, or approvals as may be required under, and other applicable requirements of (1) any Antitrust Laws, to the extent applicable, (2) the Exchange Act, and (3) the Securities Act, no notice to, filing with, exemption, or review by, or authorization, consent, or approval of, any Governmental Entity is required to be made or obtained by Amazon or any of its subsidiaries in connection with the consummation by Amazon or any of its subsidiaries of the Warrant Issuance and the other transactions contemplated hereby and by the other Transaction Documents, except for any such notices, filings, exemptions, reviews, authorizations, consents and approvals the failure of which to make or obtain have not had and would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the ability of Amazon to complete the transactions contemplated by the Transaction Documents or to perform its obligations under the Transaction Documents.

(c) Ownership. Other than pursuant to this Agreement and the other Transaction Documents, neither Amazon nor NV Holdings is the Beneficial Owner of (i) any shares of Common Stock or (ii) any securities or other instruments representing the right to acquire shares of Common Stock.

(d) Brokers; Fees and Expenses. No broker, investment banker, financial advisor, or other person is entitled to any broker's, finder's, financial advisor's, or other similar fee or commission, or the reimbursement of expenses, in connection with the transactions contemplated by this Agreement or the other Transaction Documents based upon arrangements made by or on behalf of Amazon or NV Holdings.

2.4 Survival. The representations and warranties in this Agreement shall survive for 12 months following the Closing; provided that (i) the representations in Sections 2.2(a), (b), (c), (d), (k), and (l) and Sections 2.3(a), (b), (c) and (d) shall survive until the six-month anniversary of the earlier of (A) the Expiration Time and (B) the date of issuance of Warrant Shares pursuant to the exercise of all remaining Warrants, such that each Warrant has either lapsed and become null and void or been exercised in accordance with the terms of the Warrant. The parties agree that the limitations set out herein shall not apply in the event of gross negligence, fraud, intentional misrepresentation or intentional breach on the part of the party giving the relevant representation and warranty.

ARTICLE III

COVENANTS

3.1 Efforts.

(a) Without prejudice to the terms and conditions hereof (including the remainder of this Section 3.1) and the other Transaction Documents, each party shall use its commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper, or desirable under Applicable Law to carry out the provisions hereof and thereof and give effect to the transactions contemplated hereby and thereby. In furtherance and not in limitation of the foregoing, each of the parties shall (i) subject to the provisions of this Section 3.1, including Section 3.1(d), use its commercially reasonable efforts to obtain as promptly as reasonably practicable and advisable (as determined in good faith by Amazon after consultation with the Company in accordance with the first sentence of Section 3.1(d)) all exemptions, authorizations, consents, or approvals from, and to make all filings with and to give all notices to, all third parties, including any Governmental Entities, required in connection with the transactions contemplated by this Agreement and the other Transaction Documents (including as may be required upon one or more exercises of Warrant Shares, and whether such approvals arise from Antitrust Laws or otherwise, or one or more sales of Warrant Shares), which, for the avoidance of doubt, shall include providing, as promptly as reasonably practicable and advisable, such information to any Governmental Entity as such Governmental Entity may request in connection therewith, and (ii) cooperate fully with the other party in promptly seeking to obtain all such exemptions, authorizations, consents, or approvals and to make all such filings and give such notices.

(b) Without limiting the generality of the foregoing, as promptly as practicable after written notice from Amazon, and in any event no later than in accordance with established regulatory time frames, the parties shall (i) file any Notification and Report Forms required or advisable under the HSR Act with the Federal Trade Commission and the United States Department of Justice and (ii) file, make or give, as applicable, all other filings, requests or notices required or advisable under any other Antitrust Laws, in each case with respect to the issuance of the Warrant Shares (the "Initial Filing Transaction") (the filings, requests and notices

described in the foregoing clauses (i) and (ii), collectively, the “Initial Antitrust Filings”). In addition, following the receipt of the Initial Antitrust Clearance, to the extent required or advisable by Applicable Law (including, for the avoidance of doubt, any Antitrust Law) in connection with any further issuance of Warrant Shares (in each case, whether in full or in part), the parties shall file, make, or give, as applicable, as promptly as reasonably practicable and advisable (as determined in good faith by Amazon after consultation with the Company in accordance with the first sentence of Section 3.1(d)), any further filings, requests or notices required under any Antitrust Laws, including the HSR Act. Without limiting the generality of the foregoing, each party shall supply as promptly as reasonably practicable to the appropriate Governmental Entities, and in any event no later than in accordance with established regulatory time frames, any information and documentary material that may be required pursuant to the HSR Act or any other Antitrust Laws. For purposes of this Agreement, the term “Initial Antitrust Clearance” as of any time means (x) prior to such time, the expiration or termination of the waiting period under the HSR Act and the receipt of all exemptions, authorizations, consents, or approvals, the making of all filings and the giving of all notices, and the expiration of all waiting periods, pursuant to any other Antitrust Laws, in each case to the extent required with respect to the Initial Filing Transaction, and (y) the absence at such time of any Applicable Law or Order issued by any court of competent jurisdiction or other legal restraint or prohibition under any Antitrust Law, in each case that has the effect of preventing the consummation of any issuances of Warrant Shares.

(c) Subject to the terms and conditions hereof (including the remainder of this Section 3.1) and the other Transaction Documents, and only to the extent required under the Antitrust Laws, each of the parties shall use its commercially reasonable efforts to avoid or eliminate each and every impediment under any Antitrust Laws that may be asserted by any Governmental Entity, so as to enable the parties to give effect to the transactions contemplated hereby and by the other Transaction Documents in accordance with the terms hereof and thereof; provided, that notwithstanding anything to the contrary contained herein or in any of the other Transaction Documents, nothing in this Section 3.1 shall require, or be construed to require, any party or any of its Affiliates to agree to (and no party or any of its Affiliates shall agree to, without the prior written consent of the other parties): (i) sell, hold separate, divest, discontinue, or limit (or accept any conditions relating to, or changes or restrictions in, the operation of) any assets, businesses, or interests of it or its Affiliates (irrespective of whether or not such assets, businesses, or interests are related to, are the subject matter of, or could be affected by the transactions contemplated by the Transaction Documents); (ii) without limiting clause (i) in any respect, accept any conditions relating to, or changes or restrictions in, the operations of any such assets, businesses, or interests that would reasonably be expected to adversely impact (x) the business of, or the financial, business, or strategic benefits of the transactions contemplated hereby or by any of the other Transaction Documents to it or its Affiliates, or (y) any other assets, businesses, or interests of it or its Affiliates; (iii) without limiting clause (i) in any respect, accept any modification or waiver of the terms and conditions of this Agreement or any of the other Transaction Documents that would reasonably be expected to adversely impact (x) the business of, or financial, business, or strategic benefits of the transactions contemplated hereby or by any of the other Transaction Documents to it or its Affiliates, or (y) any other assets, businesses, or interests of it or its Affiliates; or (iv) without limiting clause (i) in any respect, take any action that would materially impair the value to Amazon of the transactions contemplated hereby.

(d) Amazon shall have the principal responsibility for devising and implementing the strategy (including with respect to the timing of filings) for obtaining any exemptions, authorizations, consents, or approvals required or advisable under the HSR Act or any other Antitrust Laws in connection with the transactions contemplated hereby and by the other Transaction Documents; provided, however, that Amazon shall consult in advance with the Company regarding the overall antitrust strategy. Each of the parties shall promptly notify the other party of, and if in writing, furnish the other with copies of (or, in the case of oral communications, advise the other of), any substantive communication that it or any of its Affiliates receives from any Governmental Entity, whether written or oral, relating to the matters that are the subject of this Agreement or any of the other Transaction Documents, and to the extent reasonably practicable, permit the other party to review in advance any proposed substantive written communication by such party to any Governmental Entity and consider in good faith the other party's reasonable comments on any such proposed substantive written communications prior to their submission. No party shall, and each party shall cause its Affiliates not to, participate or agree to participate in any substantive meeting or communication with any Governmental Entity in respect of the subject matter of the Transaction Documents, including on a "no names" or hypothetical basis, unless (to the extent practicable) it or they consult with the other party in advance, and to the extent practicable and permitted by such Governmental Entity, give the other party the opportunity to jointly prepare for, attend, and participate in such meeting or communication. The parties shall (and shall cause their subsidiaries and Representatives to) coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other party may reasonably request in connection with the matters described in this Section 3.1, including (x) furnishing to each other all information reasonably requested to determine the jurisdictions in which a filing or submission under any Antitrust Law is required or advisable, (y) furnishing to each other all information required for any filing or submission under any Antitrust Law, and (z) keeping each other reasonably informed with respect to the status of each exemption, authorization, consent, approval, filing, and notice under any Antitrust Law, in each case, in connection with the matters that are the subject of this Agreement or any of the other Transaction Documents. The parties shall provide each other with copies of all substantive correspondence, filings, or communications between them or any of their Affiliates or Representatives, on the one hand, and any Governmental Entity or members of its staff, on the other hand, relating to the matters that are the subject of this Agreement or any of the other Transaction Documents; provided that such material may be redacted as necessary to (1) comply with contractual arrangements, (2) address good faith legal privilege or confidentiality concerns, and (3) comply with Applicable Law.

(e) Subject to the other provisions of this Agreement, including in this Section 3.1, in the event that any arbitral, administrative, judicial, or analogous action, claim, or proceeding is instituted (or threatened to be instituted) by a Governmental Entity or any other third party relating to or in connection with the transactions contemplated hereby or by any of the other Transaction Documents ("Transaction Litigation"), neither party shall be required to contest and resist any such Transaction Litigation or to seek to have vacated, lifted, reversed, or overturned any judgment, ruling, order, writ, injunction, or decree, whether temporary,

preliminary, or permanent, that is in effect and that prohibits, prevents, or restricts consummation or implementation of the transactions contemplated hereby or by any of the other Transaction Documents. Upon the issuance of a non-appealable permanent judgment, ruling, order, writ, injunction or decree that prohibits, prevents, or restricts consummation or implementation of the transactions contemplated hereby or by any of the other Transaction Documents, this Agreement and the Warrant shall immediately and automatically be terminated; provided, however, that the parties hereto agree to cooperate with each other to execute and deliver any further instruments or documents and to take all such further action (1) to make Amazon economically the same as if the Warrant had not terminated, including, without limitation, providing for the benefit of Amazon's vesting under the Warrant that occurred prior to such automatic termination and (2) with respect to unvested Warrant Shares, to preserve for Amazon the effect of Vesting Events occurring after such automatic termination, assuming such Vesting Events occur. Each party shall keep the other party reasonably informed with respect to any Transaction Litigation unless doing so would reasonably be likely to jeopardize any privilege of such party regarding any such Transaction Litigation (subject to such party using commercially reasonable efforts to develop and implement, and cooperating in good faith with the other party in developing and implementing, reasonable alternative arrangements to provide such other party with such information). Subject to the immediately preceding sentence, each party shall promptly advise the other party orally and in writing in connection with, and shall consult with each other with respect to, any Transaction Litigation and shall in good faith give consideration to each other's advice with respect to such Transaction Litigation.

(f) The Company shall be liable for and promptly indemnify Amazon for all Losses incurred by Amazon or its Affiliates that arise out of or relate to any Transaction Litigation unless such Transaction Litigation arises under the HSR Act or any of the Antitrust Laws, in which case each of the Company and Amazon shall bear its own Losses.

(g) As promptly as practicable following the date hereof, the Company shall adopt such amendments and take such further actions and do or cause to be done all things necessary, proper, or advisable under Applicable Law to prevent the execution and delivery of the Transaction Documents and the consummation of the transactions contemplated thereby from constituting a "change in control," "change of control," or other similar term under any Company Benefit Plan.

(h) Notwithstanding anything herein to the contrary, from and after the earlier of (i) the exercise of the Warrant in full and (ii) the expiration, termination, or cancellation of the Warrant without the Warrant having been exercised in full, no party shall have any further obligations under this Section 3.1; provided, that this Section 3.1(h) shall in no way relieve any party with respect to any breach by such party of this Section 3.1 prior to such time.

3.2 Public Announcements.

(a) The parties acknowledge that the Company's initial announcement of the transactions contemplated by this Agreement and the other Transaction Documents to customers, suppliers, investors, employees, and otherwise (the "Initial Announcement") and the timing thereof has been agreed by the parties. Other than the transmission of the Initial Announcement

at the time mutually agreed upon by the parties, except as required by Applicable Law or by the rules or requirements of any stock exchange on which the securities of a party are listed, no party shall make, or cause to be made, or permit any of its Controlled Affiliates to make, any press release or public announcement or other similar communications in respect of the Transaction Documents or the transactions contemplated thereby without prior written consent (not to be unreasonably withheld, conditioned, or delayed) of the other party, to the extent such release, announcement, or communication relates to the transactions contemplated hereby or by any of the other Transaction Documents. Notwithstanding the foregoing, no party shall be required to receive the consent of the other party to any release, announcement, or communication (including any filing required to be made under the Exchange Act or the Securities Act) to the extent such release, announcement, or communication includes information (i) with respect to the transactions contemplated hereby or by any of the other Transaction Documents that is consistent with the Initial Announcement, provided that such release, announcement, or communication follows the Initial Announcement; (ii) that is consistent with releases, announcements, or other communications previously consented to by the other party in accordance with this Section 3.2; (iii) that is required to be disclosed under GAAP; (iv) that has previously been released by either of the parties hereto in respect of the transactions contemplated hereby or the Transaction Documents without any violation of the terms of this Agreement; or (v) as may be required in connection with any Form 4, Schedule 13D, Schedule 13G, Form 8-K, Form 10-Q, Form 10-K, Schedule 14A, or other disclosure required by the Commission or other Governmental Entity, including in order to make such disclosure not misleading, to be made by Amazon or the Company in connection with the transactions contemplated by the Transaction Documents. Notwithstanding the preceding sentence, to the extent any disclosure (including communications with investors and analysts) relates to the Transaction Documents or any transaction contemplated thereby and contains any information inconsistent with the Initial Announcement or releases, announcements or other communications previously consented to by the other party in accordance with this Section 3.2 or that has previously been released by either of the parties hereto in respect of the transactions contemplated hereby or the Transaction Documents without any violation of the terms of this Agreement, such disclosure shall be subject to the prior consent of the other party (unless it is required to be in such form under Applicable Law), which shall not be unreasonably withheld, conditioned, or delayed.

(b) Without limiting the foregoing, in recognition of the importance to the Company and Amazon of taking appropriate steps to maintain the confidentiality of agreements between the parties from the parties' customers, competitors, and suppliers, in the event that the Company is requested by the Commission or any other regulatory body or stock exchange (the Commission and each such other regulatory body or stock exchange, a "Disclosure Agency"), or legally required to file or otherwise submit any agreement to which Amazon is a party (each a "Disclosable Agreement"), or any excerpt from, summary of, or information relating to any Disclosable Agreement with or to a Disclosure Agency, the filing or submission of which involves or could result in public disclosure of such Disclosable Agreement or excerpt therefrom, summary thereof, or information relating thereto, the Company will (1) promptly notify Amazon of such request or requirement to file or otherwise submit the Disclosable Agreement or any excerpt therefrom, summary thereof, or information relating thereto and any applicable deadline for making such filing or submission, (2) use reasonable efforts to persuade the Disclosure

Agency that the Company is not required to file or otherwise submit the Disclosable Agreement pursuant to Applicable Laws, and, to the extent such efforts are not successful, (3) provide Amazon with a reasonable opportunity to request (i) a redaction of any information in the Disclosable Agreement or excerpt therefrom, summary thereof, or information relating thereto (in addition to any redactions proposed by the Company) prior to filing or submitting such Disclosable Agreement, excerpt therefrom, summary thereof, or information relating thereto, and (ii) if requested or required by the Disclosure Agency, the submission of one or more confidential treatment requests in support of such redactions with such arguments as requested by Amazon, including in response to any comments or requests for information issued by the applicable Disclosure Agency, to which, in each case, the Company shall agree absent a reasonable basis for objection (and shall provide Amazon prompt notice of any such objection, the basis therefor and a reasonable opportunity to consider and discuss such objection with the Company), (4) provide Amazon (i) with copies of any comments and all other communications received from the applicable Disclosure Agency with respect to the Disclosable Agreement or confidential treatment thereof (including a reasonable summary of any oral communications or other comments received other than in writing) as promptly as reasonably practicable and (ii) with the Company's proposed response to such comments at least three Business Days before such response is submitted to the applicable Disclosure Agency, and (5) provide Amazon with a reasonable opportunity to propose revisions within such time period to such proposed response as requested by Amazon, and which revisions the Company shall make absent a reasonable basis for objection (and shall provide Amazon prompt notice of any such objection, the basis therefor and a reasonable opportunity to consider and discuss such objection with the Company), and as applicable, use its commercially reasonable efforts in responding to any such comments in order to pursue assurance that confidential treatment will be granted. The Company will not file this Agreement, any Disclosable Agreement, any excerpt therefrom, summary or portion thereof, or information relating thereto with any Governmental Entity or regulatory body, including any Disclosure Agency, or disclose any other confidential and/or commercially sensitive information in any manner, except to the extent (i) permitted above, or (ii) the Company determines in good faith based on the written advice of outside counsel that making such filing or submission without adhering to the requirements set forth above is necessary to comply with Applicable Law. Notwithstanding anything in Section 8.1 of this Agreement to the contrary, the provisions of this Section 3.2(b) will survive for so long as any Commercial Relationships remain in effect.

3.3 Expenses. Unless otherwise provided in any Transaction Document, each of the parties shall bear and pay all costs and expenses incurred by it or on its behalf in connection with the transactions contemplated under the Transaction Documents, including fees and expenses of its own financial or other consultants, investment bankers, accountants, and counsel.

3.4 Board Observer.

(a) The Company agrees that, from and after any such time as the number of shares of Common Stock (including exercised Warrant Shares) held by NV Holdings, Amazon, and any of their respective Affiliates, equal at least 12,338,485 shares of Common Stock (the "Observer Threshold"), Amazon shall have the right, but not the obligation, to designate an individual (any

such individual, the “Amazon Observer”) to attend all meetings of the Board in a non-voting, observer capacity, which Amazon Observer shall be approved by the Company (such approval not to be unreasonably withheld, conditioned, or delayed), provided, however, that no approval by the Company will be required if the Amazon Observer is an employee of Amazon or any of its Affiliates, in which case Amazon shall notify the Company of the identity of the Amazon Observer at least fourteen days before the first meeting to be attended by such Amazon Observer in that role. In this respect, the Company shall provide to the Amazon Observer notice of such meetings and, subject to Section 5.1(c), a copy of the meeting materials at the same time as provided to the members of the Board in their capacity as such, and shall provide the Amazon Observer with the same rights to expense reimbursement that it provides to independent members of the Board. The Company acknowledges and agrees that the Amazon Observer will not owe any fiduciary duties or any other similar obligations or duties, including in law or equity, to the Company, its subsidiaries or its stockholders, and may act at all times in the best interests of NV Holdings, Amazon, and any of their respective Affiliates.

(b) Notwithstanding the above, the Amazon Observer shall not be entitled to attend and otherwise participate in, and shall, to the extent applicable, waive notice of and recuse themselves from, such meetings or portions thereof, and shall not be entitled to receive any information, in each case (i) to the extent relating to Amazon, this Agreement, any other Transaction Documents or the transactions contemplated hereby or thereby, (ii) to the extent such information involves company pricing data or competitively sensitive information, in each case, about specific Company customers, (iii) if the Company believes based on the good faith written advice of outside counsel that providing such information would violate Applicable Law (in which case the Company shall notify Amazon of such belief and the Company and Amazon shall consult and cooperate in good faith in determining whether the Company is legally prohibited from providing such information to the Amazon Observer), or (iv) where the Company determines based upon good faith written advice from outside counsel that providing such information (A) would reasonably be expected to jeopardize an attorney-client privilege or cause a loss of attorney work product protection or (B) would violate a contractual confidentiality obligation to any third party; provided, that, with respect to clauses (ii) through (iv), the Company uses reasonable best efforts and cooperates in good faith with the Amazon Observer to develop and implement reasonable alternative arrangements to provide the Amazon Observer with the intended benefits of this Section 3.4.

(c) The Company shall at all times provide or otherwise make available to the Amazon Observer, if applicable (in his or her capacity as such), the same rights to indemnification and exculpation that it provides to members of the Board (including with respect to derivative claims). The Company acknowledges and agrees that any such obligations to indemnify or advance expenses to such Amazon Observer in his or her capacity as such, for the matters covered by such indemnification obligations, shall be the primary source of indemnification and advancement of such Amazon Observer in connection therewith, and any obligation on the part of any Amazon Indemnitor under any Amazon Indemnification Agreement to indemnify or advance expenses to such Amazon Observer shall be secondary to the Company’s obligation. In the event that there are Unpaid Indemnitee Amounts with respect to the Amazon Observer, and any Amazon Indemnitor makes any payment to such Amazon Observer in respect of indemnification or advancement of expenses under any Amazon

Indemnification Agreement on account of such Unpaid Indemnitee Amounts, such Amazon Indemnitor shall be subrogated to the rights of such Amazon Observer under this Agreement in respect of such Unpaid Indemnitee Amounts.

(d) Promptly upon the occurrence of NV Holdings, Amazon, and any of their respective Affiliates holding Warrant Shares and vested Warrant Shares subject to exercise pursuant to the Warrant less than the Observer Threshold, all obligations of the Company with respect to, and all rights of, Amazon and the Amazon Observer pursuant to this Section 3.4 (other than rights to indemnification, advancement and reimbursement of expenses and subrogation) shall terminate and, unless otherwise consented to by a majority of the members of the Board, Amazon shall cause the Amazon Observer to cease attending meetings of the Board.

3.5 Tax Treatment. Amazon and the Company agree to treat the Warrant Issuance (i) as a closed, taxable transaction occurring on the date of the Warrant Issuance, rather than as an open transaction, for U.S. tax purposes, and (ii) not as a transaction in connection with the performance of services within the meaning of Section 83 of the Code. Amazon shall control the valuation of the Warrant for all relevant U.S. federal, state and local tax purposes. Neither Amazon nor the Company shall take any position for tax purposes that is inconsistent with the foregoing, unless required by a determination (within the meaning of Section 1313(a) of the Code).

ARTICLE IV

ADDITIONAL AGREEMENTS

4.1 Acquisition for Investment. Amazon (for itself and on behalf of the NV Holdings) acknowledges that the issuance of the Warrant and the Warrant Shares has not been registered under the Securities Act or under any state securities laws. Amazon (for itself and on behalf of the NV Holdings) (i) acknowledges that it is acquiring the Warrant and the Warrant Shares pursuant to an exemption from registration under the Securities Act solely for its own account for investment with no present intention to distribute them to any person in violation of the Securities Act or any other applicable state securities laws, (ii) agrees that it shall not (and shall not permit its subsidiaries to) sell or otherwise dispose of the Warrant or the Warrant Shares, except in compliance with the registration requirements or exemption provisions of the Securities Act and any applicable state securities laws and the terms of this Agreement and the Warrant, (iii) acknowledges that it has such knowledge and experience in financial and business matters and in investments of this type that it is capable of evaluating the merits and risks of the Warrant Issuance and of making an informed investment decision, and has conducted a review of the business and affairs of the Company that it considers sufficient and reasonable for purposes of consummating the Warrant Issuance, (iv) acknowledges that it is able to bear the economic risk of the Warrant Issuance and is able to afford a complete loss of such investment, and (v) acknowledges that it is an “accredited investor” (as that term is defined by Rule 501 under the Securities Act).

4.2 Legend. Amazon (for itself and on behalf of the NV Holdings) agrees that all book-entries or other instruments representing the Warrant and the Warrant Shares shall bear any legend as required by the “blue sky” laws of any state and a restrictive legend substantially to the following effect, if applicable:

“THE SECURITIES REPRESENTED BY THIS INSTRUMENT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE TRANSFERRED, SOLD, OR OTHERWISE DISPOSED OF EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH LAWS.

THIS INSTRUMENT IS ISSUED PURSUANT TO AND SUBJECT TO THE RESTRICTIONS ON TRANSFER AND OTHER PROVISIONS OF A TRANSACTION AGREEMENT, DATED AS OF FEBRUARY 4, 2022, BY AND BETWEEN THE ISSUER OF THESE SECURITIES AND AMAZON.COM, INC., A DELAWARE CORPORATION, A COPY OF WHICH IS ON FILE WITH THE ISSUER. THE SECURITIES REPRESENTED BY THIS INSTRUMENT MAY NOT BE SOLD OR OTHERWISE TRANSFERRED EXCEPT IN COMPLIANCE WITH SAID AGREEMENT. ANY SALE OR OTHER TRANSFER NOT IN COMPLIANCE WITH SAID AGREEMENT WILL BE VOID.”

Following (a) at Amazon’s request, the Company obtaining at its own cost an opinion of counsel from a nationally recognized law firm, or (b) Amazon presenting the Company at Amazon’s own cost with an opinion of counsel from a nationally recognized law firm reasonably satisfactory, in form and substance, to the Company, in each case for (a) or (b) that the Warrant Shares are eligible to be transferred without restriction in accordance with Rule 144 under the Securities Act, the Company shall, at Amazon’s option, either (i) promptly issue a book entry representing such Warrant Shares which shall not contain such portion of the above legend that is no longer applicable, or (ii) at the Company’s sole expense, including that of its transfer agent and for same day processing, if applicable, promptly instruct its transfer agent to use The Depository Trust Company (“DTC”) Fast Automated Securities Transfer Program to credit such aggregate number of Warrant Shares to which the holder of the Warrant Shares is entitled pursuant to such exercise to such holder’s or its designee’s balance account with DTC through its Deposit / Withdrawal At Custodian (“DWAC”) system; provided that the holder of such Warrant Shares surrenders to the Company the previously issued book entries or other instruments. Notwithstanding the foregoing, once any Warrant Shares are registered under the Securities Act, and in the absence of any applicable prospectus delivery requirements, the Company shall promptly cooperate with Amazon, at the Company’s sole expense, including that of its transfer agent and for same day processing, if applicable, to have such Warrant Shares deposited via DWAC with such holder’s or its designee’s balance account with DTC.

4.3 Anti-Takeover Provisions. The Company shall not take any action that would prevent Amazon from exercising any of its rights under this Agreement or any of the other Transaction Documents, or any of the transactions contemplated hereby or thereby (a “Burdensome Action”), including by causing this Agreement or any of the other Transaction Documents, or any of the transactions contemplated hereby or thereby, to be subject to any

requirements imposed by any Anti-Takeover Provisions or subject in any manner to any “poison pill” or similar shareholder rights plan, in each case the result of which would be to cause a Burdensome Action to occur, and shall take all necessary steps within its control to exempt (or ensure the continued exemption of) the transactions contemplated by the Transaction Documents from any applicable Anti-Takeover Provisions, as now or hereafter in effect.

4.4 Transfers.

(a) NV Holdings shall only be permitted to Transfer the Warrant, in each case so long as such Transfer is in accordance with Applicable Law and the provisions of the Company’s certificate of incorporation and bylaws, as follows (the “Permitted Transfers”):

(i) a Transfer of the Warrant to Amazon or a wholly owned subsidiary of Amazon;

(ii) a Transfer of the Warrant in connection with an Acquisition Transaction approved by the Board (including if the Board (A) recommends that the Company’s stockholders tender in response to a tender or exchange offer that, if consummated, would constitute an Acquisition Transaction, or (B) does not recommend that the Company’s stockholders reject any such tender or exchange offer within the ten-Business Day period specified in Rule 14e-2(a) under the Exchange Act);

(iii) a Transfer of the Warrant if required by, or reasonably necessary in order for, Amazon to obtain Governmental Approval for any acquisition (whether direct or indirect, including by way of merger, share exchange, share purchase, consolidation, or any similar transaction), provided that such acquisition is not being undertaken by Amazon for the purpose of evading or avoiding the transfer restrictions imposed by this Section 4.4; or

(iv) a Transfer of the Warrant to the extent required under Applicable Law; or

(v) a Transfer to any Person who is not a Prohibited Transferee, provided, however, that, solely with respect to any unvested Warrant Shares transferred pursuant to this provision, such Transfer will only be a Permitted Transfer if Amazon maintains a material economic interest in such unvested Warrant Shares;

in each case, to the extent it has not already done so, such Transferee executes a joinder to this Agreement, in which such Transferee agrees to be subject to all covenants and agreements of Amazon under this Agreement and makes all the representations and warranties and/or acknowledgements set forth in Section 2.3 (although the representation and warranty in Section 2.3(a) shall be made with respect to the applicable jurisdiction of incorporation and to the extent the concept is applicable in that jurisdiction) and Section 4.1.

(b) Any Transfer or attempted Transfer of the Warrant in violation of this Section 4.4 shall, to the fullest extent permitted by law, be null and void ab initio, and the Company shall not, and shall instruct its transfer agent and other third parties not to, record or recognize any such purported transaction on the share register or other books and records of the Company.

(c) Notwithstanding anything to the contrary contained herein:

(i) the Company acknowledges and agrees that once a Transferee of a Permitted Transfer executes and delivers a joinder to this Agreement, such Transferee shall be bound and have the benefit of such provisions of this Agreement set forth in such joinder as if the Transferee were named in this Agreement as a “party” to this Agreement. In such an event, the Company will execute and deliver a counterpart signature to such joinder agreement; and

(ii) if any Transferee has not either (A) entered into or is bound by a mutual nondisclosure agreement enforceable directly by the Company on terms that are substantially similar as the Confidentiality Agreement or (B) agreed to be bound by the terms of the Confidentiality Agreement to the same extent as if the Transferee were a party thereto, the Company shall not, notwithstanding any provision of any Transaction Document to the contrary, be required to disclose any Confidential Information to such Transferee unless and until such agreement has been entered into.

4.5 Reports under Exchange Act.

(a) With a view to making available to Amazon the benefits of Rule 144 under the Securities Act and any other Applicable Law of the Commission that may at any time permit Amazon to sell Equity Securities of the Company to the public without registration or pursuant to a registration on Form S-3, the Company agrees to:

(i) make and keep public information available, as those terms are understood and defined in Rule 144 under the Securities Act, at all times after the date hereof;

(ii) file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act; and

(iii) furnish to Amazon, so long as Amazon or its Affiliates owns any Registrable Securities, upon request (x) a written statement by the Company that it has complied with the reporting requirements of Rule 144(c) under the Securities Act, the Securities Act and the Exchange Act, or that it qualifies as a registrant whose securities may be resold pursuant to Form S-3 (at any time after it so qualifies), and (y) such other information as may be reasonably requested in availing Amazon or its Affiliates of any rule or regulation of the Commission that permits the selling of any such securities without registration or pursuant to such form.

(b) If the Company becomes delinquent in its public reporting obligations under the Exchange Act or the Securities Act (the “Public Reporting Obligations”), the Company shall indemnify Amazon for the amount equal to the product of (i) the sum of (A) the number of vested Warrant Shares exercisable as of the last trading day immediately prior to the Company becoming so delinquent (as used in this Section 4.5(b), the “Last Compliant Day.”)

plus (B) the number of Warrant Shares previously exercised and issued to Amazon and held by Amazon as of the Last Compliant Day, multiplied by (i) the difference of (A) the per Warrant Share closing price on the Last Compliant Day minus (B) the per Warrant Share opening price on the Sale Date (as defined below); provided that (1) this indemnity shall only apply to such shares that are sold within 10 trading days of the Threshold Date (as defined below) (each such date of sale, for purposes of this Section 4.5(b), a “Sale Date”), and (2) indemnification shall be available only if the Company does not become current in its Public Reporting Obligations within 15 days of becoming delinquent and the Company’s delinquency in its Public Reporting Obligations is not due to a change of accounting policy by the Commission that is broadly applicable to those companies that are the result of a merger that resulted in a ‘de-SPAC’ing’ transaction. For purposes of this Section 4.5(b), the “Threshold Date” shall be the earlier of (i) the Company becoming current in its Public Reporting Obligations, or (ii) such Warrant Shares held by Amazon becoming eligible for sale under Rule 144 under the Securities Act or an effective Shelf Registration Statement. In calculating the indemnification amount under the preceding paragraph, the number of shares to be compensated for shall be deemed increased proportional to the decrease in the volume weighted average price (VWAP) used in calculating a Cashless Exercise issuance, if any, between the date of the Last Compliant Day and the date of each (if any) exercises prior to 10 trading days after the Threshold Date, in order to account for any resulting decrease of issued shares upon a Cashless Exercise.

4.6 Standstill Provisions.

(a) Amazon agrees that from the date of this Agreement until an Amazon Standstill Termination Event (such period, the “Standstill Period”), without the prior written approval of the Board, Amazon shall not, directly or indirectly, and shall cause its subsidiaries not to:

(i) acquire, agree to acquire, propose, or offer to acquire, by purchase or otherwise, Equity Securities of the Company, other than:

(A) Warrant Shares acquired by NV Holdings in accordance with the Transaction Documents;

(B) as a result of any stock split, stock dividend, or distribution, other subdivision, reorganization, reclassification, or similar capital transaction involving Equity Securities of the Company; or

(C) pursuant to and in accordance with Section 4.4(a)(i);

(ii) participate or engage in any “solicitation” of “proxies” (as such terms are used in the proxy rules of the Commission) (whether or not relating to the election or removal of directors) by any Person (or their Affiliates) that has filed a Schedule 13D with the Commission with respect to the Company on or before the date of this Agreement (a “Covered Person”) to vote any Voting Securities unless such “solicitation” of “proxies” are in support of recommendations made by the Company or its management;

(iii) disclose how Amazon intends to vote its Voting Securities on any contested election of directors or any contested proposal relating to an Acquisition Proposal in each case only if so contested by a Covered Person, unless such disclosure is determined by Amazon in good faith, based on the written advice of its legal counsel, to be reasonably required by Applicable Law;

(iv) deposit any Voting Securities in a voting trust or similar contract or agreement or subject any Voting Securities to any voting agreement, pooling arrangement, or similar arrangement, or grant any proxy with respect to any Voting Securities (in each case, other than to the Company or a Person specified by the Company in a proxy card (paper or electronic) provided to stockholders of the Company by or on behalf of the Company);

(v) make any public announcement with respect to, enter, agree to enter into, propose or offer to enter into, any merger, business combination, recapitalization, restructuring, change in control transaction, or other similar extraordinary transaction involving the Equity Securities of the Company or any of its subsidiaries, or purchase of a material portion of the assets, properties, or Equity Securities of the Company, other than acquisitions of Equity Securities as follows:

(A) Warrant Shares acquired by NV Holdings in accordance with the Transaction Documents;

(B) as a result of any stock split, stock dividend, or distribution, other subdivision, reorganization, reclassification, or similar capital transaction involving Equity Securities of the Company;

(C) pursuant to and in accordance with Section 4.4(a)(i); or

(D) Equity Securities of the Company representing beneficial ownership of less than five percent of the outstanding shares of Common Stock held by a Person acquired by Amazon or its subsidiaries; provided that such Equity Securities of the Company were acquired by such acquired Person prior to it entering into an agreement with Amazon to be acquired and not in contemplation of, or in connection with, Amazon's acquisition of such Person and subject to Section 4.4(a)(ii), Amazon agrees to dispose of those Equity Securities and to reasonably cooperate with the Company to establish a reasonable time table and other reasonable parameters for doing so as to minimize the impact of such disposition on the trading market for the Common Stock; provided that in connection with such disposition, Amazon shall not be required to take any action that would be likely to adversely affect the value of the Equity Securities.

(vi) take any action that would reasonably be expected to require the Company to make a public announcement regarding any of the events described above;

(vii) advise or knowingly assist or knowingly encourage or enter into any discussions, negotiations, agreements, or arrangements with any other Persons in connection with the foregoing;

(viii) form, join, or in any way participate in a Group (other than with its subsidiary that is bound by the restrictions of this Section 4.6(a) or a Group that consists solely of Amazon and/or any of its subsidiaries), with respect to any Voting Securities or otherwise in connection with any of the foregoing; or

(ix) publicly disclose any intention, plan, or proposal with respect to any of the foregoing.

For the avoidance of doubt, this Section 4.6 shall not prohibit Amazon from exercising any rights or taking any action under the Commercial Relationships. Amazon shall not be deemed in breach of this Section 4.6 if Amazon or any of its subsidiaries acquires Equity Securities, Derivative Instruments, or debt securities of the Company in an amount representing less than two percent of such outstanding Equity Securities, Derivative Instruments, or debt securities, and promptly after receiving written notice from the Company that such Equity Securities, Derivative Instruments, or debt securities were acquired in contravention of this Section 4.6, sells or otherwise disposes of such Equity Securities, Derivative Instruments, or debt securities. In addition, Amazon shall not, directly or indirectly, and shall not permit any of its subsidiaries, directly or indirectly, to contest the validity of this Section 4.6 or, subject to Section 4.6(b), seek a waiver, amendment, or release of any provisions of this Section 4.6 (including this sentence) (whether by legal action or otherwise).

(b) Notwithstanding anything to the contrary contained herein or in any of the other Transaction Documents, including Section 4.6(a) hereof, Amazon shall not be prohibited or restricted from making and submitting to the Company and/or the Board any Acquisition Proposal that is not intended to require the Company to disclose such proposal, or any confidential request for the Company and/or the Board to waive, amend, or provide a release of any provision of this Section 4.6 (whether or not in connection with such Acquisition Proposal); provided that any such Acquisition Proposal and/or confidential request shall by its terms terminate if it is publicly disclosed or announced by Amazon (except in the event that such public disclosure is required by Applicable Law) without the prior approval of the Board. If the Company (through the Board or otherwise) shall have commenced a process to solicit Acquisition Proposals from third parties, then the Company will promptly notify Amazon of such determination and any information provided to Amazon in connection with such notice, including, without limitation, the fact that the Company has provided such notice to Amazon, shall be kept confidential by Amazon, except to the extent information is permitted to be disclosed or used by Section 5.1(c).

(c) Notwithstanding anything to the contrary herein, the provisions of this Section 4.6 shall become void and of no further force and effect upon (i) the public announcement by the Company that it has entered into a definitive agreement with a Person other than Amazon or any of its subsidiaries for a transaction involving a Business Combination or (ii) if any Person other than Amazon or any of its subsidiaries commences a tender or

exchange offer which, if consummated, would constitute a Business Combination; provided, however, that with respect to clauses (i) and (ii) of this sentence, Amazon shall not have materially breached any of the provisions of this Section 4.6.

(d) An “Amazon Standstill Termination Event” shall be deemed to occur if, as of the end of any Business Day following the date of this Agreement, Amazon and its subsidiaries Beneficially Own shares of Common Stock collectively representing less than five percent of the outstanding shares of Common Stock; provided, however, that if the Beneficial Ownership of Amazon and its subsidiaries collectively represents at least five percent of the outstanding shares of Common Stock at any time within one year following such occurrence, then the provisions of this Section 4.6 shall immediately again become applicable to Amazon.

4.7 Right of Notice. If at any time the Company proposes to enter into an exclusivity agreement or other agreement that contemplates exclusivity with any Person or Group (excluding Amazon or any of its subsidiaries) for the purpose of pursuing an Acquisition Transaction, the Company shall promptly, and in any event no later than 10 Business Days prior to entering into such agreement, provide written notice to Amazon, which notice shall (i) be subject to the terms of the Confidentiality Agreement and (ii) contain all terms of such proposed Acquisition Transaction as well as all information or draft documentation which may impact Amazon in its capacity as a holder of the Warrant.

ARTICLE V

INFORMATION

5.1 Information Rights.

(a) During the term of this Agreement, the Company shall prepare and provide, or cause to be prepared and provided, to Amazon:

(i) if the Company is a Reporting Company, then within the time periods applicable to the Company under Section 13(a) or 15(d) of the Exchange Act (the “Reporting Company Filing Dates”), all interim and annual financial statements required to be contained in a filing with the Commission on Forms 10-K and 10-Q, provided that the requirements of this clause shall be deemed satisfied to the extent such information is publicly filed on EDGAR on or by the applicable Reporting Company Filing Date; and

(ii) if the Company is not a Reporting Company at any time, the information set forth on Schedule 5.1(a) within the respective time periods set forth therein.

(b) During the term of this Agreement, the Company shall consider and respond promptly and in good faith to reasonable requests for information for the purpose of Amazon to satisfy its financial reporting and accounting requirements, to the extent already existing or that can be prepared without excessive cost or management time, regarding the Company and its subsidiaries from Amazon in its capacity as a shareholder of the Company. Without limiting the generality of the foregoing, the Company and its subsidiaries shall not be required to provide any such information if (i) the Company determines that such information is

competitively sensitive, (ii) the Company determines in good faith that providing such information would adversely affect the Company (taking into account the nature of the request and the facts and circumstances at such time) other than to a de minimis extent, or (iii) providing such information (A) would reasonably be expected to jeopardize an attorney-client privilege or cause a loss of attorney work product protection, (B) would violate a confidentiality obligation to any person in effect on the date of this Agreement, or (C) would, based on the written advice of the Company's outside legal counsel, violate any Applicable Law; provided, that, with respect to clauses (i)-(iii), the Company uses reasonable efforts, and cooperates in good faith with Amazon, to develop and implement reasonable alternative arrangements to provide Amazon (and its Representatives) with the intended benefits of this Section 5.1.

(c) In furtherance of and not in limitation of any other similar agreement Amazon or any of its Representatives may have with the Company or its subsidiaries, Amazon hereby agrees that all Confidential Information in its possession obtained solely pursuant to this Section 5.1 and Section 3.4 with respect to the Company shall be kept confidential by it and shall not be disclosed by it in any manner whatsoever, except as permitted by this Section 5.1(c). For the avoidance of doubt, any confidential information received by either party in connection with any of the Commercial Relationships shall be governed by the terms of any applicable agreement related to such Commercial Relationships. Any Confidential Information may be disclosed:

(i) by Amazon (x) to any of its Affiliates or (y) to its or its Affiliate's Representatives, in each case, solely if and to the extent any such Person needs to be provided such Confidential Information to assist Amazon or its Affiliates in evaluating or reviewing its existing investment, or with respect to the exercise of the Warrant, its prospective investment in the Company, including in connection with the disposition thereof or voting shares of Common Stock. Each Representative shall be deemed to be bound by the provisions of this Section 5.1(c) and Amazon shall be responsible for any breach of this Section 5.1(c) (or such other agreement or obligation, as applicable) by any of its Representatives;

(ii) by Amazon or any of its Representatives to the extent the Company consents in writing;

(iii) by Amazon or any of its Representatives to a potential Transferee (so long as such Transfer is permitted hereunder); provided, that such Transferee agrees to be bound by the provisions of this Section 5.1(c) (or a confidentiality agreement having restrictions substantially similar to this Section 5.1(c)); or

(iv) by Amazon or any of its Representatives to the extent that Amazon or such Representative has been advised by its counsel that such disclosure is required to be made by it under Applicable Law or by a Governmental Entity; provided, that prior to making such disclosure, such Person uses commercially reasonable efforts to preserve the confidentiality of the Confidential Information to the extent permitted by Applicable Law, including, to the extent practicable and permitted by Applicable Law, consulting with the Company regarding such disclosure, and if reasonably requested by the Company, assisting the Company, at the Company's expense, in seeking a protective

order to prevent the requested disclosure; provided, further, that Amazon or such Representative, as the case may be, uses commercially reasonable efforts to disclose only that portion of the Confidential Information as is requested by the applicable Governmental Entity or as is, based on the advice of its counsel, legally required or compelled; and provided, further, that the parties hereto expressly agree that notwithstanding anything in the Confidentiality Agreement or any other confidentiality agreement between or among the Company, Amazon, or any of their respective subsidiaries or Representatives to the contrary, any Confidential Information that is permitted to be disclosed in any manner pursuant to this Agreement can be so disclosed.

5.2 Tax Reporting Requirements.

(a) The Company will provide Amazon with any information reasonably requested by Amazon and within the Company's possession or that can be provided with the use of reasonable efforts to allow Amazon to comply with Applicable Law related to taxes or to avail itself of any provision of Applicable Law related to taxes. The Company shall reasonably cooperate (at no out-of-pocket cost to the Company) in preparing for any audit of, or dispute with a tax authority regarding any tax return of, Amazon or any of its affiliates relating to the Company or any of its affiliates.

(b) The Company shall maintain its status as a domestic corporation for U.S. federal income tax purposes.

(c) In connection with the preparation of its U.S. federal income tax return, the Company will ask its tax return preparer or shall make due inquiry with a Tax Advisor selected by it regarding the Company's obligation to comply with the reporting requirements under Sections 6038, 6038B, and 6046 of the Code, and the Company shall comply with any such applicable requirements. To the extent that Amazon is subject to the same reporting requirements, the Company shall file on Amazon's behalf if permitted by applicable law. The Company shall also provide Amazon with any such filings under such sections for Amazon's review 45 days prior to the due date for filing (including extensions). To the extent that the Company does not have a filing requirement under such sections, the Company shall provide such information to Amazon as may be necessary to fulfill Amazon's obligations thereunder as a result of the Warrant Issuance or the acquisition of Warrant Shares hereunder.

5.3 Survival. Notwithstanding anything in this Agreement, this Article V shall survive termination of this Agreement pursuant to Section 8.1, and will continue until the date that the Beneficial Ownership of Amazon, in the aggregate, of shares of Common Stock is less than one percent on a fully diluted basis; provided, that Section 5.2 shall survive with respect to the taxable year in which such date occurs.

ARTICLE VI
REGISTRATION

6.1 Shelf Registration Statement.

(a) Subject to the terms and conditions hereof, the Company shall file as soon as reasonably practicable after the date hereof, but in no event later than 30 days after such date, and use commercially reasonable efforts to cause to be declared effective by the Commission as soon as reasonably practicable after such filing date, a registration statement on Form S-3 or, if such form is not available to the Company, Form S-1, providing for an offering to be made on a continuous basis pursuant to Rule 415 under the Securities Act (a "Qualified Registration Statement") relating to the offer and sale, from time to time, of 9,898,508 Registrable Securities (such number of securities, the "Initial Registered Amount" and such initial registration statement, the "Initial Shelf Registration Statement"). The Company shall file (i) up to two subsequent Qualified Registration Statements for each 3,959,403 of Registrable Securities that have vested above the Initial Registered Amount promptly following the date of such vesting (but in no event later than 30 days after the date of such vesting) and (ii) one Qualified Registration Statement for all Registrable Securities that were not included in the Initial Shelf Registration Statement or on a previously filed Qualified Registration Statement promptly following the date that an aggregate of 19,797,016 Registrable Securities have vested (but in no event later than 30 days after the date of such vesting), and in each of (i) and (ii) the Company shall use commercially reasonable efforts to cause the applicable registration statement to be declared effective by the Commission as soon as reasonably practicable after such filing date.

(b) In addition to the provisions of Section 6.1(a), the Company shall file as soon as reasonably practicable after the date of receiving a Filing Request from a Holder (the "Initiating Holder"), but in no event later than 30 days after such date, and use commercially reasonable efforts to cause to be declared effective by the Commission as soon as reasonably practicable after such filing date, a Qualified Registration Statement relating to the offer and sale, from time to time, of a number of Registrable Securities set forth in the Filing Request (each such Qualified Registration Statement, a "Demand Registration Statement"); provided, however, that the Registrable Securities set forth in the Filing Request consist of Warrant Shares vested as of the date of such Filing Request that have not been included on a previously filed Qualified Registration Statement; provided, further, that the Company shall not be required to file more than [* * *] Demand Registration Statements under this Section 6.1(b). If the Initiating Holder intends to distribute the Registrable Securities covered by its Filing Request by means of an underwriting, the Initiating Holder shall so advise the Company in its Filing Request.

(c) Subject to Section 6.1(d), the Company shall use its commercially reasonable efforts to keep any Shelf Registration Statement continuously effective until the date on which all Registrable Securities covered by the Shelf Registration Statement have been sold

thereunder in accordance with the plan and method of distribution disclosed in the prospectus included in such Shelf Registration Statement. In furtherance thereof, the Company shall indemnify Amazon for the amount equal to (i) the sum of (A) the number of vested Warrant Shares exercisable as of the last trading day immediately prior to the date on which the Shelf Registration Statement ceases to be effective (as used in this [Section 6.1\(c\)](#), the “Last Compliant Day”) plus (B) the number of Warrant Shares previously exercised and issued to Amazon and held by Amazon as of the Last Compliant Day, multiplied by (i) the difference of (A) the per Warrant Share closing price on the Last Compliant Day minus (B) the per Warrant Share opening price on the Sale Date (as defined below); provided that (1) this indemnity shall only apply to such shares that are sold within 10 trading days of the Threshold Date (as defined below) (each such date of sale, for purposes of this [Section 6.1\(c\)](#), a “Sale Date”), and (2) indemnification shall be available only if the Shelf Registration Statement does not again become available within 15 days of ceasing to be effective and the unavailability of the Shelf Registration Statement is not due to a change of accounting policy by the Commission that is broadly applicable to those companies that are the result of a merger that resulted in a ‘de-SPAC’ing’ transaction. For purposes of this [Section 6.1\(c\)](#), the “Threshold Date” shall be the first day of trading after the Shelf Registration Statement becomes effective again. In calculating the indemnification amount under the preceding paragraph, the number of shares to be compensated for shall be deemed increased proportional to the decrease in the volume weighted average price (VWAP) used in calculating a Cashless Exercise issuance, if any, between the date of the Last Compliant Day and the date of each (if any) exercises prior to 10 trading days after the Threshold Date, in order to account for any resulting decrease of issued shares upon a Cashless Exercise.

(d) Notwithstanding anything to the contrary contained in this Agreement, the Company shall be entitled, from time to time, by providing written notice to the Holders that any Shelf Registration Statement or the prospectus therein contains a Misstatement, to require such Holders to suspend the use of the prospectus for sales of Registrable Securities under such Shelf Registration Statement until he, she or it has received copies of a supplemented or amended prospectus correcting the Misstatement (it being understood that the Company hereby covenants to, as soon as practicable after the time of such notice, but in no event later than ten (10) days following such notice, and without any further request from a Holder of Registrable Securities, prepare a post-effective amendment or supplement to any Shelf Registration Statement or the prospectus, or any document incorporated therein by reference, or file any other required document so that, as thereafter delivered to purchasers of the Registrable Securities included therein, the prospectus will not include a Misstatement). If the filing, initial effectiveness or continued use of any Shelf Registration Statement in respect of any applicable registration at any time would require the Company to make an Adverse Disclosure, the Company may, upon giving prompt written notice of such action to the Holders, including a certificate signed by either the Chief Executive Officer or the principal financial officer of the Company certifying the existence of Adverse Disclosure in good faith, delay the filing or initial effectiveness of, or suspend use of, such Shelf Registration Statement for the shortest period of time, but in no event more than thirty (30) days, determined in good faith by the Company to be necessary for such purpose. The Company shall immediately notify the Holders of the expiration of any period during which it exercised its rights under this [Section 6.1\(d\)](#). Upon notice by the Company pursuant to the first two sentences of this [Section 6.1\(d\)](#), each of the Holders covenants that it

shall, subject to Applicable Law, keep the fact of any such notice strictly confidential, and promptly halt any offer, sale, trading, or other Transfer by it or any of its Affiliates of any Registrable Securities and promptly halt any use, publication, dissemination, or distribution of such Shelf Registration Statement, each prospectus included therein, and any amendment or supplement thereto by it and any of its Affiliates until, as the case may be, the applicable prospectus is supplemented or amended to correct the Misstatement or the thirty day period has elapsed, and, if so directed in writing by the Company, will deliver to the Company any copies then in such Holder's possession of the prospectus covering such Registrable Securities that was in effect at the time of receipt of such notice.

(e) At any time that a Shelf Registration Statement is effective, if any Holder delivers a notice to the Company (a "Take-Down Notice") stating that it intends to sell all or part of its Registrable Securities included on the Shelf Registration Statement (a "Shelf Offering"), then the Company shall amend or supplement the Shelf Registration Statement as may be necessary in order to enable such Registrable Securities to be distributed pursuant to the Shelf Offering. Notwithstanding any other provision of this Agreement, no other holders of securities of the Company shall be entitled to receive any notice of or have its securities included in any such Shelf Offering, including any block sale off of such Shelf Registration Statement.

(f) Any time that a Shelf Offering involves a marketed underwritten Shelf Offering, the Company shall select the investment banker(s) and manager(s) that will serve as managing underwriters (including which such managing underwriters will serve as lead or co-lead) and underwriters with respect to the offering of such Registrable Securities; provided, that such investment banker(s) and manager(s) shall be reasonably acceptable to the applicable Holder (such acceptance not to be unreasonably withheld, conditioned, or delayed).

6.2 Piggyback Registrations.

(a) Subject to the terms and conditions hereof, whenever the Company proposes to register any Common Stock under the Securities Act in an Underwritten Offering (a "Piggyback Registration"), whether for its own account or for the account of others, the Company shall give all Holders of Registrable Securities (each, a "Holder" and collectively, the "Holders"), except any Initiating Holder in the case of a Demand Registration Statement, prompt written notice thereof (but not less than ten Business Days prior to the filing by the Company with the Commission of any registration statement with respect thereto). Such notice (a "Piggyback Notice") shall specify the number of shares of Common Stock (or other securities, as applicable) proposed to be registered, the proposed date of filing of such registration statement with the Commission, the proposed means of distribution, the proposed managing underwriter(s), and a good faith estimate by the Company of the proposed minimum offering price of such shares of Common Stock (or other securities, as applicable), in each case to the extent then known. Subject to Section 6.2(b), the Company shall include in each such Piggyback Registration all Registrable Securities held by Holders (a "Piggyback Seller") with respect to which the Company has received written requests (which written requests shall specify the number of Registrable Securities requested to be disposed of by such Piggyback Seller) for inclusion therein within ten days after such Piggyback Notice is received by such Piggyback Seller.

(b) In connection with a Piggyback Registration that involves an Underwritten Offering, if the lead managing underwriter(s) advise(s) the Company that, in its opinion, the inclusion of all the securities sought to be included in such Piggyback Registration by (w) the Company, (x) other Persons who have sought to have shares of Common Stock registered in such Piggyback Registration pursuant to rights to demand (other than pursuant to rights arising under this Agreement) such registration (such Persons being “Other Demanding Sellers”), (y) the Piggyback Sellers, and (z) any other proposed sellers of shares of Common Stock (such Persons being “Other Proposed Sellers”), as the case may be, would materially and adversely affect the success thereof, then the Company shall include in the registration statement applicable to such Piggyback Registration only such securities as the Company is so advised by such lead managing underwriter(s) can be sold without such an effect, as follows and in the following order of priority:

(i) if the Piggyback Registration relates to an offering for the Company’s own account, then (A) first, such number of shares of Common Stock (or other securities, as applicable) to be sold by the Company as the Company, in its reasonable judgment, shall have determined, (B) second, shares of Common Stock (or other securities, as applicable) sought to be registered by Piggyback Sellers and Other Demanding Sellers, pro rata on the basis of the number of shares of Common Stock proposed to be sold by such entities (calculated in proportion to the number of securities sought to be registered by such Piggyback Sellers and Other Demanding Sellers, and (C) third, other shares of Common Stock proposed to be sold by any Other Proposed Sellers; or

(ii) if the Piggyback Registration relates to an offering other than for the Company’s own account, then (A) first, such number of shares of Common Stock (or other securities, as applicable) sought to be registered by Piggyback Sellers and Other Demanding Sellers, pro rata on the basis of the number of shares of Common Stock proposed to be sold by such entities (calculated in proportion to the number of securities sought to be registered by such Piggyback Sellers and Other Demanding Sellers), (B) second, shares of Common Stock to be sold by the Company, and (C) third, other shares of Common Stock proposed to be sold by any Other Proposed Sellers.

(c) For clarity, in connection with any Underwritten Offering under this Section 6.2 for the Company’s account, the Company shall not be required to include the Registrable Securities of a Piggyback Seller in the Underwritten Offering unless such Piggyback Seller accepts the terms of the underwriting as agreed upon between the Company and the lead managing underwriter(s), which shall be selected by the Company.

(d) If, at any time after giving written notice of its intention to register any shares of Common Stock (or other securities, as applicable) as set forth in this Section 6.2 and prior to the time the registration statement filed in connection with such Piggyback Registration is declared effective, the Company shall determine for any reason not to register such shares of Common Stock (or other securities, as applicable), the Company may, at its election, give written notice of such determination to the Piggyback Sellers within five Business Days thereof and thereupon shall be relieved of its obligation to register any Registrable Securities in connection with such particular withdrawn or abandoned Piggyback Registration.

(e) Any Holder having notified the Company to include any or all of its Registrable Securities in a Piggyback Registration shall have the right to withdraw any such notice with respect to any or all of the Registrable Securities designated by it for registration by giving written notice to such effect to the Company prior to the effective date of such registration statement. In the event of any such withdrawal, the Company shall not include such Registrable Securities in the applicable registration. No such withdrawal shall affect the obligations of the Company with respect to the Registrable Securities not so withdrawn.

6.3 Holdback Agreements.

(a) Amazon shall enter into customary agreements restricting the sale or distribution of Equity Securities of the Company (including sales pursuant to Rule 144 under the Securities Act) to the extent required by the lead managing underwriter(s) with respect to an applicable Underwritten Offering in which Amazon participates during the period commencing on the date of the request (which shall be no earlier than 14 days prior to the expected “pricing” of such Underwritten Offering) and continuing for not more than 90 days after the date of the “final” prospectus (or “final” prospectus supplement if the Underwritten Offering is made pursuant to the Shelf Registration Statement), pursuant to which such Underwritten Offering shall be made. The Company shall not include securities of any other holder in such an Underwritten Offering unless such other holder enters into a customary agreement on terms no more permissive to such other holder as the terms of any similar agreement entered into by Amazon restricting the sale or distribution of Equity Securities of the Company (including sales pursuant to Rule 144 under the Securities Act).

(b) If any Shelf Offering involves an Underwritten Offering, the Company will not effect any sale or distribution of shares of Common Stock (or securities convertible into or exchangeable or exercisable for shares of Common Stock) (other than a Form S-4 or Form S-8 or securities issuable under a Company Stock Plan) for its own account within 90 days after the effective date of such registration except as may otherwise be agreed between the Company and the lead managing underwriter(s) of such Underwritten Offering.

6.4 Registration Procedures.

(a) If and whenever the Company is required to use commercially reasonable efforts to effect the registration of any Registrable Securities under the Securities Act as provided in Section 6.1 or Section 6.2 or otherwise as applicable in connection with an Underwritten Offering, the Company shall as expeditiously as reasonably practicable:

(i) prepare and file with the Commission a registration statement to effect such registration in accordance with the intended method or methods of distribution of such securities and thereafter use commercially reasonable efforts to cause such registration statement to become and remain effective pursuant to the terms of Section 6.1(c); provided, however, that before filing such registration statement or any amendments thereto, the Company will furnish to the Holders, their counsel, and the lead managing underwriter(s), if any, copies of all such documents proposed to be filed, which documents will be subject to the review and reasonable comment of such counsel, and other documents reasonably requested by such counsel, including any comment letter

from the Commission, and, if requested by such counsel, the Company will provide such counsel reasonable opportunity to participate in the preparation of such registration statement and each prospectus included therein and such other opportunities to conduct a reasonable investigation within the meaning of the Securities Act, including reasonable access to the Company's books and records, officers, accountants, and other advisors. The Company shall not file any such registration statement or prospectus or any amendments or supplements thereto to which the Holders, their counsel, or the lead managing underwriter(s), if any, shall reasonably object, in writing, on a timely basis, unless, in the opinion of the Company, such filing is necessary to comply with Applicable Law;

(ii) in the case of a Shelf Registration Statement, prepare and file with the Commission such amendments, including post-effective amendments, and supplements to such Shelf Registration Statement and the prospectus used in connection therewith as may be necessary to keep such Shelf Registration Statement effective and to comply in all material respects with the provision of the Securities Act with respect to the disposition of the Registrable Securities subject thereto for the period set forth in Section 6.1(c);

(iii) if requested by the lead managing underwriter(s), if any, or the Holders, promptly include in a prospectus supplement or post-effective amendment such information as the lead managing underwriter(s), if any, and such Holders may reasonably request in order to permit the intended method of distribution of such securities and make all required filings of such prospectus supplement or such post-effective amendment as soon as reasonably practicable after the Company has received such request; provided, however, that the Company shall not be required to take any actions under this Section 6.4(a)(iii) that are not, in the good faith written opinion of outside counsel for the Company, in compliance with Applicable Law;

(iv) furnish to the Holders and each underwriter, if any, such number of conformed copies of such registration statement and of each amendment and supplement thereto, such number of copies of the prospectus contained in such registration statement (including each preliminary prospectus and any summary prospectus) and each free writing prospectus (as defined in Rule 405 of the Securities Act) (a "Free Writing Prospectus") utilized in connection therewith and any other prospectus filed under Rule 424 under the Securities Act, in conformity with the requirements of the Securities Act, and such other documents as such Holders and underwriter, if any, may reasonably request in order to facilitate the public sale or other disposition of the Registrable Securities owned by such Holders;

(v) use commercially reasonable efforts to (I) register or qualify or cooperate with the Holders, the underwriters, if any, and their respective counsel in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Securities covered by such registration statement under such other securities laws or "blue sky" laws of such jurisdictions as the Holders and any underwriter shall reasonably request, (II) keep each such registration or qualification (or

exemption therefrom) effective during the period such registration statement is required to be kept effective, and (III) take any other action which may be necessary or reasonably advisable to enable such Holders and underwriters to consummate the disposition in such jurisdictions of the Registrable Securities, except that the Company shall not for any such purpose be required to (A) qualify generally to do business as a foreign corporation in any jurisdiction wherein it would not but for the requirements of this clause (vi) be obligated to be so qualified, (B) subject itself to taxation in any such jurisdiction, or (C) file a general consent to service of process in any such jurisdiction;

(vi) use commercially reasonable efforts to cause such Registrable Securities to be listed on each securities exchange on which shares of Common Stock are then listed;

underwriters and (B) “comfort” letters and updates thereof (or, in the case of any such Person which does not satisfy the conditions for receipt of a “comfort” letter specified in Statement on Auditing Standards No. 72, an “agreed upon procedures” letter) signed by the independent public accountants who have certified the Company’s financial statements included in such registration statement, covering the matters customarily covered in “comfort” letters in connection with underwritten offerings;

(xi) as promptly as practicable notify in writing the Holders and the underwriters, if any, of the following events: (A) the filing of the registration statement, any amendment thereto, the prospectus or any prospectus supplement related thereto or post-effective amendment to the registration statement or any Free Writing Prospectus utilized in connection therewith, and, with respect to the registration statement or any post-effective amendment thereto, when the same has become effective; (B) any request by the Commission or any other Governmental Entity for amendments or supplements to the registration statement or the prospectus or for additional information; (C) the issuance by the Commission of any stop order suspending the effectiveness of the registration statement or the initiation of any proceedings by any Person for that purpose; (D) the receipt by the Company of any notification with respect to the suspension of the qualification of any Registrable Securities for sale under the securities or “blue sky” laws

(xii) use commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of such registration statement, or the lifting of any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction at the earliest reasonable practicable date, except that, subject to the requirements of Section 6.4(a)(v), the Company shall not for any such purpose be required to (A) qualify generally to do business as a foreign corporation in any jurisdiction where it would not but for the requirements of this clause (xiii) be obligated to be so qualified, (B) subject itself to taxation in any such jurisdiction, or (C) file a general consent to service of process in any such jurisdiction;

(xiii) cooperate with the Holders and the lead managing underwriter(s) to facilitate the timely preparation and delivery of book entries (which shall not bear any restrictive legends unless required under Applicable Law) representing securities sold under any registration statement and enable such securities to be in such denominations and registered in such names as the lead managing underwriter(s) or such Holders may request and keep available and make available to the Company's transfer agent prior to the effectiveness of such registration statement a supply of such certificates;

(xvi) take all other actions reasonably requested by the Holders or the lead managing underwriter(s) to effect the intent of this Agreement.

(b) The Company may require each Holder and each underwriter, if any, to furnish the Company in writing such information regarding each Holder or underwriter and the distribution of such Registrable Securities as the Company may from time to time reasonably request in writing to complete or amend the information required by such registration statement.

(c) Each Holder agrees that upon receipt of any notice from the Company of the happening of any event of the kind described in clauses (B), (C), (D), (E), and (F) of Section 6.4(a)(xi), such Holder shall forthwith discontinue such Holder’s disposition of Registrable Securities pursuant to the applicable registration statement and prospectus relating thereto until such Holder’s receipt of the copies of the supplemented or amended prospectus contemplated by Section 6.4(a)(xi) or until it is advised in writing by the Company that the use of the applicable prospectus may be resumed and has received copies of any additional or supplemental filings that are incorporated or deemed to be incorporated by reference in such prospectus.

6.5 Registration Expenses. All fees and expenses incident to the Company’s performance of its obligations under this Article VI, including (a) all registration and filing fees, including all fees and expenses of compliance with securities and “blue sky” laws (including the reasonable and documented fees and disbursements of counsel for the underwriters in connection with “blue sky” qualifications of the Registrable Securities pursuant to Section 6.4(a)(v)) and all fees and expenses associated with filings required to be made with FINRA (including, if applicable, the fees and expenses of any “qualified independent underwriter” as such term is defined in FINRA Rule 5121), (b) all printing (including expenses of printing certificates for the Registrable Securities in a form eligible for deposit with the Depository Trust Company and of printing prospectuses if the printing of prospectuses is requested by Amazon) and copying expenses, (c) all messenger, telephone, and delivery expenses, (d) all fees and expenses of the Company’s independent certified public accountants and counsel (including with respect to “comfort” letters and opinions), (e) expenses of the Company incurred in connection with any “road show,” other than any expense paid or payable by the underwriters, and (f) reasonable and documented fees and disbursements up to a maximum of \$[* * *] of one counsel for all Holders whose Registrable Securities are included in a registration statement, which counsel shall be selected by the Holders of a majority of the Registrable Securities being sold in connection therewith, shall be borne solely by the Company whether or not any registration statement is filed or becomes effective. In connection with the Company’s performance of its obligations under this Article VI, the Company will pay its internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties and the expense of any annual audit) and the expenses and fees for listing the securities to be registered on the

primary securities exchange or over-the-counter market on which similar securities issued by the Company are then listed or traded. Each Holder shall pay its portion of all underwriting discounts and commissions and transfer taxes, if any, relating to the sale of such Holder's Registrable Securities pursuant to any registration.

6.6 Miscellaneous.

(a) Not less than five Business Days before the expected filing date of each registration statement pursuant to Section 6.2 of this Agreement, the Company shall notify each Holder who has timely provided the requisite notice hereunder entitling such holder to register Registrable Securities in such registration statement of the information, documents, and instruments from such Holder that the Company or any underwriter reasonably requests in connection with such registration statement, including a questionnaire, custody agreement, power of attorney, lock-up letter, and underwriting agreement (the "Requested Information"). If the Company has not received, on or before the second Business Day before the expected filing date, the Requested Information from such Holder, the Company may file the registration statement without including Registrable Securities of such Holder. The failure to so include in any registration statement the Registrable Securities of a Holder (with regard to that registration statement) shall not result in any liability on the part of the Company to such Holder.

(b) The Company shall not grant to any Person any demand, piggyback, or shelf registration rights the terms of which are senior to or conflict with the rights granted to Amazon hereunder without the prior written consent of Amazon unless such Person has such rights as of the date of this Agreement. If Amazon provides such consent, Amazon and the Company shall amend this Agreement to grant Amazon any such senior demand, piggyback, or shelf registration rights.

6.7 Registration Indemnification.

(a) The Company agrees, without limitation as to time, to indemnify and hold harmless, to the fullest extent permitted by law, each Holder and its Affiliates and their respective officers, directors, members, shareholders, employees, managers, and partners, and each Person who controls (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) such Holder or such other indemnified Person and the officers, directors, members, shareholders, employees, managers, and partners of each such controlling Person, from and against all Losses, as incurred, arising out of, caused by, resulting from, or relating to any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus, or preliminary prospectus or Free Writing Prospectus or any amendment or supplement thereto or any omission (or alleged omission) of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and (without limitation of the preceding portions of this Section 6.7(a)) will reimburse each such Holder, each of its Affiliates, and each of their respective officers, directors, members, shareholders, employees, managers, and partners and each such Person who controls each such Holder and the officers, directors, members, shareholders, employees, managers, partners, accountants, attorneys, and agents of each such controlling Person, for any reasonable, customary and reasonably documented legal and other

expenses incurred in connection with investigating and defending or settling any such claim, Loss, damage, liability, or action, except insofar as the same are caused by any information furnished in writing to the Company by any Holder expressly for use therein.

(b) In connection with any registration statement in which a Holder is participating, without limitation as to time, each such Holder shall, severally and not jointly, indemnify the Company, its directors, officers, and employees and each Person who controls (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) the Company from and against all Losses, as incurred, arising out of, caused by, resulting from, or relating to any untrue statement (or alleged untrue statement) of material fact contained in the registration statement, prospectus, or preliminary prospectus or Free Writing Prospectus or any amendment or supplement thereto or any omission (or alleged omission) of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and (without limitation of the preceding portions of this Section 6.7(b)) will reimburse the Company, its directors, officers, and employees and each Person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) for any reasonable, customary, and reasonably documented legal and other expenses incurred in connection with investigating and defending or settling any such claim, Loss, damage, liability, or action, in each case solely to the extent, but only to the extent, that such untrue statement or omission is made in such registration statement, prospectus, or preliminary prospectus or Free Writing Prospectus or any amendment or supplement thereto in reliance upon and in conformity with written information furnished to the Company by such Holder for inclusion in such registration statement, prospectus, or preliminary prospectus or Free Writing Prospectus or any amendment or supplement thereto. Notwithstanding the foregoing, no Holder shall be liable under this Section 6.7(b) for amounts in excess of the gross proceeds (after deducting any underwriting discount or commission) received by such Holder from its sale of Registrable Securities in connection with the offering that gave rise to such liability.

(c) Any Person entitled to indemnification hereunder shall give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification; provided, however, the failure to give such notice shall not release the indemnifying party from its obligation, except to the extent that the indemnifying party has been actually and materially prejudiced by such failure to provide such notice on a timely basis.

(d) In any case in which any such action is brought against any indemnified party, and it notifies an indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party of its election to assume the defense thereof and acknowledging the obligations of the indemnifying party with respect to such proceeding, the indemnifying party will not (so long as it shall continue to have the right to defend, contest, litigate, and settle the matter in question in accordance with this paragraph) be liable to such indemnified party hereunder for any legal or other expense subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation, supervision, and monitoring (unless (i) such indemnified party reasonably objects

to such assumption on the grounds that (A) there may be defenses available to it which are different from or in addition to the defenses available to such indemnifying party or (B) such action involves, or is reasonably likely to have an effect beyond, the scope of matters that are subject to indemnification pursuant to this Section 6.7, or (ii) the indemnifying party shall have failed within a reasonable period of time to assume such defense and the indemnified party is or would reasonably be expected to be materially prejudiced by such delay, and in either event the indemnified party shall be promptly reimbursed by the indemnifying party for the expenses incurred in connection with retaining one separate legal counsel (for the avoidance of doubt, for all indemnified parties in connection therewith)). For the avoidance of doubt, notwithstanding any such assumption by an indemnifying party, the indemnified party shall have the right to employ separate counsel in any such matter and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such indemnified party except as provided in the previous sentence. An indemnifying party shall not be liable for any settlement of an action or claim effected without its consent. No matter shall be settled by an indemnifying party without the consent of the indemnified party (which consent shall not be unreasonably withheld, conditioned, or delayed), unless such settlement (x) includes as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation, (y) does not include any statement as to or any admission of fault, culpability, or a failure to act by or on behalf of any indemnified party, and (z) is settled solely for cash for which the indemnified party would be entitled to indemnification hereunder.

(e) The indemnification provided for under this Agreement shall survive the Transfer of the Registrable Securities and the termination of this Agreement.

(f) If recovery is not available under the foregoing indemnification provisions for any reason or reasons other than as specified therein, any Person who would otherwise be entitled to indemnification by the terms thereof shall nevertheless be entitled to contribution with respect to any Losses with respect to which such Person would be entitled to such indemnification but for such reason or reasons, in such proportion as is appropriate to reflect the relative fault of the indemnifying party, on the one hand, and such indemnified party, on the other hand, in connection with the actions, statements, or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party, the Persons' relative knowledge and access to information concerning the matter with respect to which the claim was asserted, the opportunity to correct and prevent any statement or omission, and other equitable considerations appropriate under the circumstances. It is hereby agreed that it would not necessarily be equitable if the amount of such contribution were determined by pro rata or per capita allocation. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not found guilty of such fraudulent misrepresentation. Notwithstanding the foregoing, no Holder shall be required to make a contribution in excess of the gross proceeds (after deducting any underwriting discount or commission) received by such Holder from its sale of Registrable Securities in connection with the offering that gave rise to the contribution obligation.

6.8 Free Writing Prospectuses. No Holder shall use any Free Writing Prospectus in connection with the sale of Registrable Securities pursuant to this Article VI without the prior written consent of the Company (which consent shall not be unreasonably withheld, conditioned, or delayed). Notwithstanding the foregoing, a Holder may use any Free Writing Prospectus prepared and distributed by the Company.

6.9 Termination of Registration Rights. The rights granted pursuant to this Article VI shall terminate, as to any holder of Registrable Securities, on the date on which all Registrable Securities held by such holder have been disposed, including all shares issued or issuable upon exercise of the Warrant.

8.7 Entire Agreement, Etc. This Agreement (including the Schedules, Exhibits, and Annexes hereto), the other Transaction Documents, and the Confidentiality Agreement constitute the entire agreement and supersede all other prior agreements, understandings, representations, and warranties, both written and oral, between the parties, with respect to the subject matter hereof. No party shall take, or cause to be taken, including by entering into agreements or other arrangements with provisions or obligations that conflict, or purport to conflict, with the terms of the Transaction Documents or any of the transactions contemplated thereby, any action with either an intent or effect of impairing any such other person's rights under any of the Transaction Documents.

8.8 Assignment. Neither this Agreement nor any right, remedy, obligation, or liability arising hereunder or by reason hereof shall be assignable by any party without the prior written consent of the other party, and any attempt to assign any right, remedy, obligation, or liability hereunder without such consent shall be void, except that Amazon may transfer or assign, in whole or from time to time in part, to one or more of its direct or indirect wholly owned subsidiaries, its rights and/or obligations under this Agreement, but any such transfer or assignment shall not relieve Amazon of its obligations hereunder. If any provision of this Agreement or a Transaction Document, or the application thereof to any person or circumstance, is determined by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions hereof, or the application of such provision to persons or circumstances other than those as to which it has been held invalid or unenforceable, shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby, so long as the economic or legal substance of the transactions contemplated hereby or thereby is not affected in any manner materially adverse to any party. Upon such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

8.10 No Third-Party Beneficiaries. Nothing contained in this Agreement, expressed or implied, is intended to confer upon any person other than the parties and their respective successors and permitted assigns any benefits, rights, or remedies.

8.11 Specific Performance. The parties agree that failure of any party to perform its agreements and covenants hereunder, including a party's failure to take all actions as are necessary on such party's part in accordance with the terms and conditions of this Agreement to consummate the transactions contemplated hereby, will cause irreparable injury to the other party, for which monetary damages, even if available, will not be an adequate remedy. It is agreed that the parties shall be entitled to equitable relief including injunctive relief and specific performance of the terms hereof, without the requirement of posting a bond or other security, and each party hereby consents to the issuance of injunctive relief by any court of competent jurisdiction to compel performance of a party's obligations and to the granting by any court of the remedy of specific performance of such party's obligations hereunder, this being in addition to any other remedies to which the parties are entitled at law or equity.

8.12 Limitation of Liability. Notwithstanding anything to the contrary contained in this Agreement: (i) the maximum amount of Losses which may be recovered from Amazon and its Affiliates arising out of or relating to this Agreement shall be limited to the amount equal to the Aggregate Exercise Price and (ii) any Losses which may be recovered from Amazon and its Affiliates arising out of or relating to this Agreement shall not include consequential, indirect, punitive, or special damages.
